A black and white halftone illustration of a landscape scene. In the foreground, there's a large, dark, craggy rock formation on the left and a body of water with small waves on the right. The background features a range of mountains under a sky filled with numerous small, dark, diamond-shaped halftone dots.

A black and white halftone photograph of a man from the chest up. He is wearing a dark suit jacket over a light-colored shirt and a dark tie. His hair is dark and neatly styled. He is looking slightly to his left with a neutral expression. The background is dark and indistinct. The entire image is rendered with a high-contrast, dot-based halftone pattern, giving it a printed or processed appearance.
