

2012 TEXAS HIGH SCHOOL

A halftone graphic of a large, stylized, blocky letter 'E' composed of a grid of dots. The letter is oriented vertically, with its top horizontal bar extending across the width of the letter. The dot pattern is dense and uniform, giving it a textured appearance.

Read the book

A black and white halftone photograph of a person's face, heavily obscured by a large, dark, semi-transparent arrow pointing from the bottom left towards the center. The arrow is thick and has a distinct shadow, suggesting it is a physical object placed over the original photo. The background is a textured, light-colored surface.
