

雅茶纳  
「天津饭市」

第32话 参加确认

你不觉得那边  
的男人很帅嘛？

吉吉大人！  
久等了

之前一直  
穿的都是制服

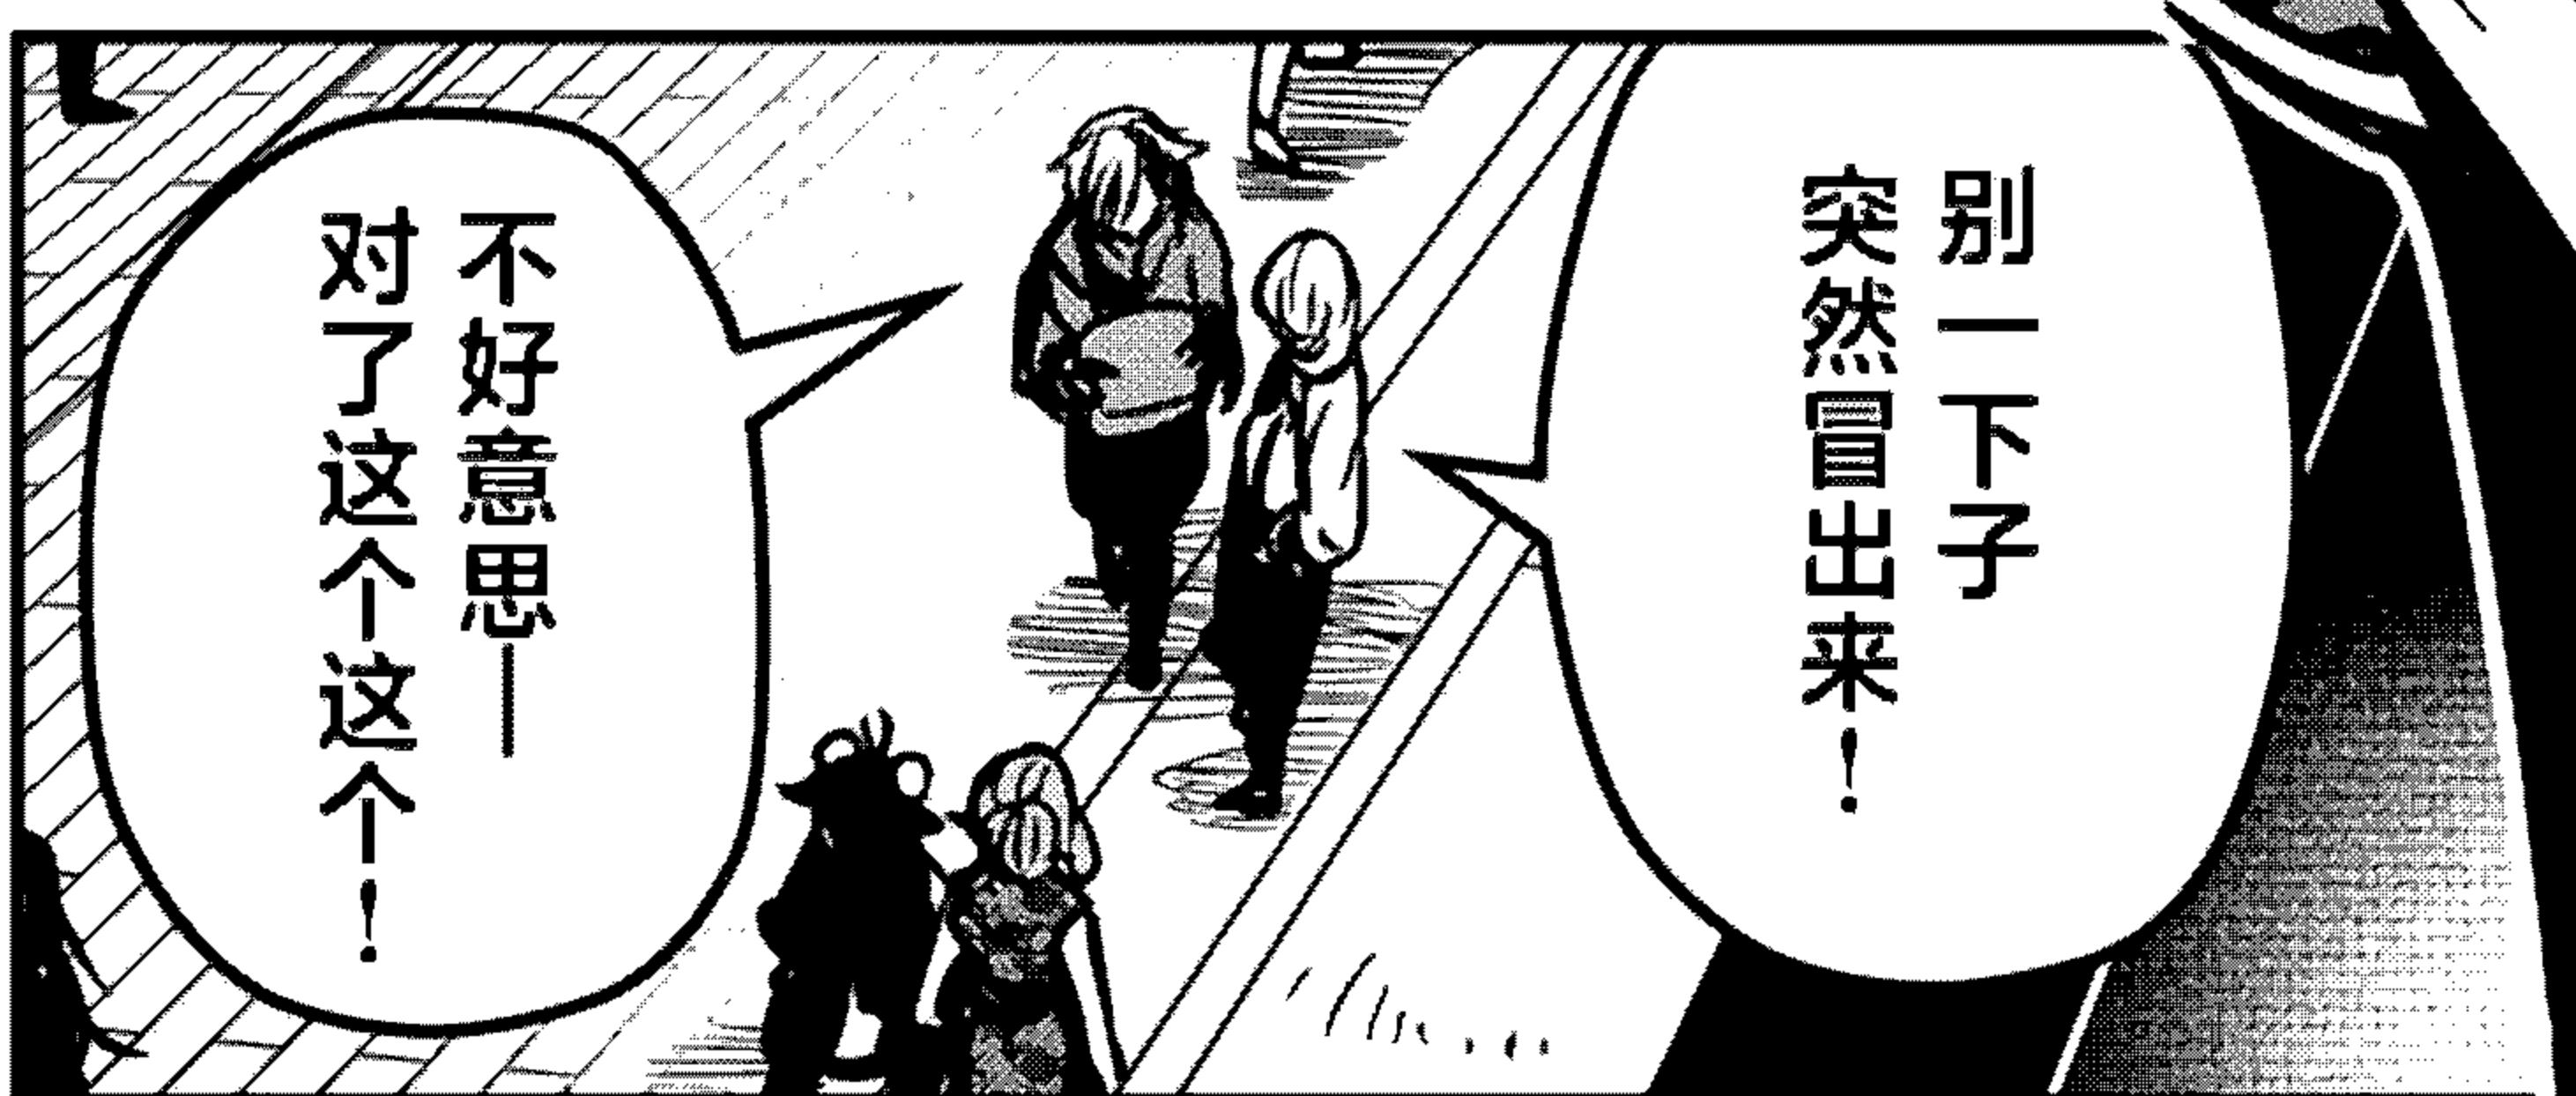

现在总觉得  
大腿凉飕飕的呢

很合适吧？

特别合适！！

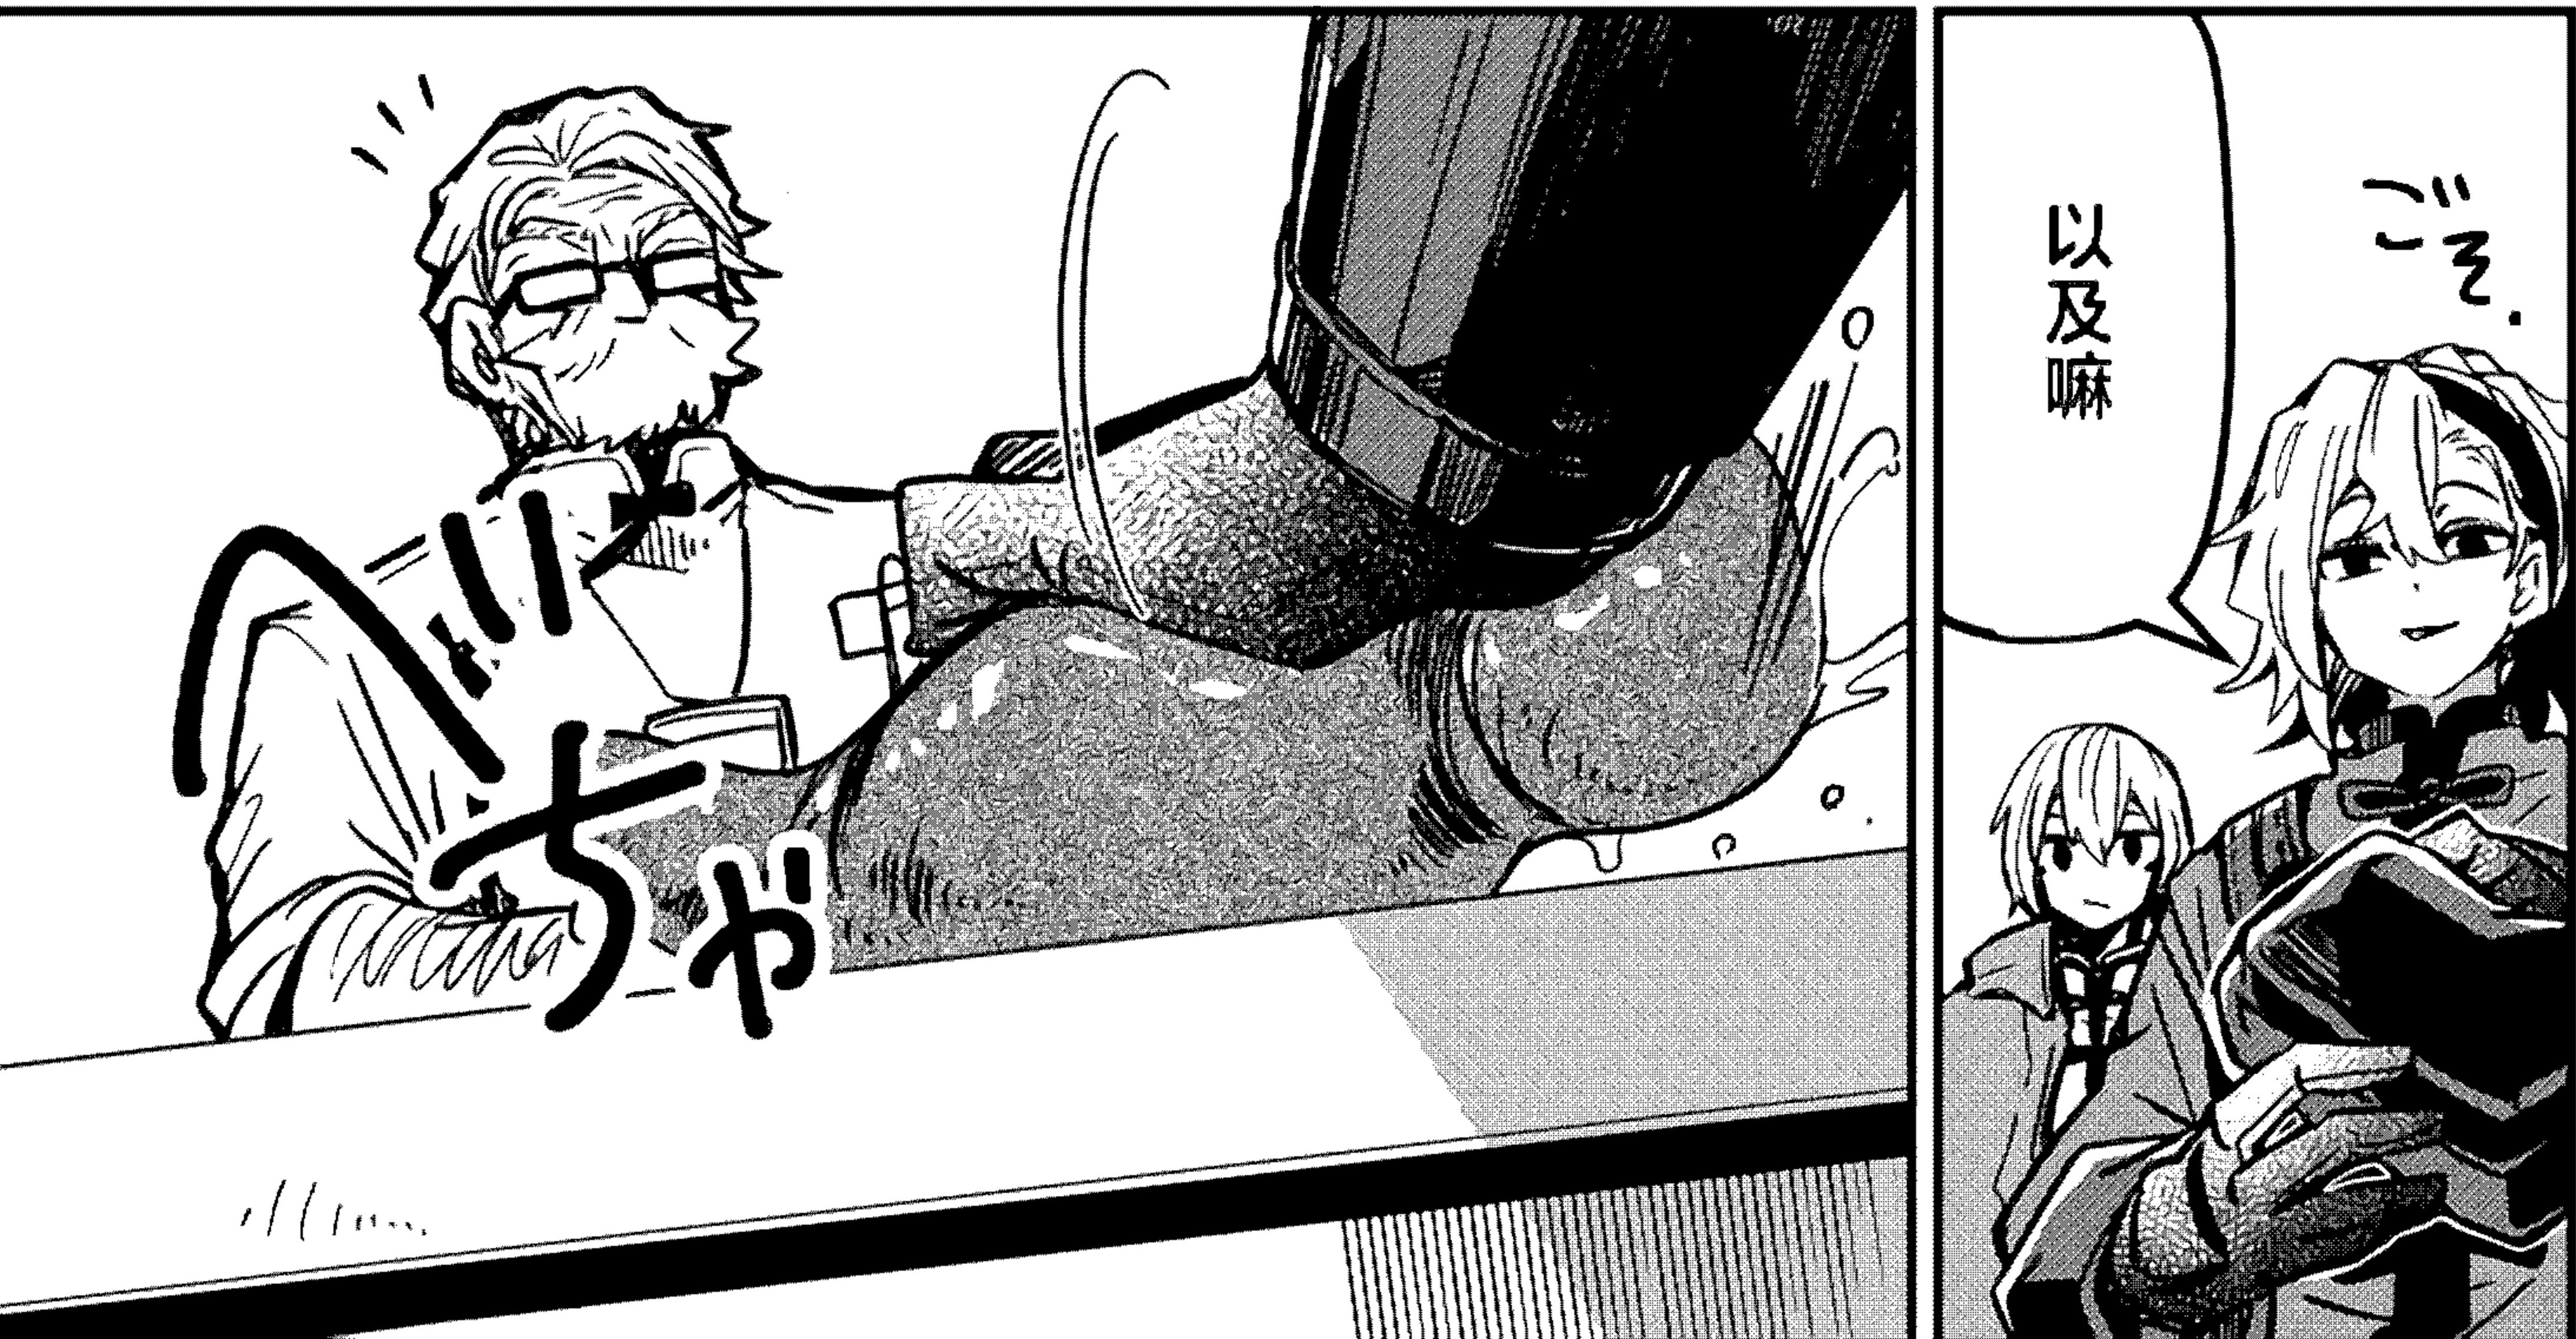

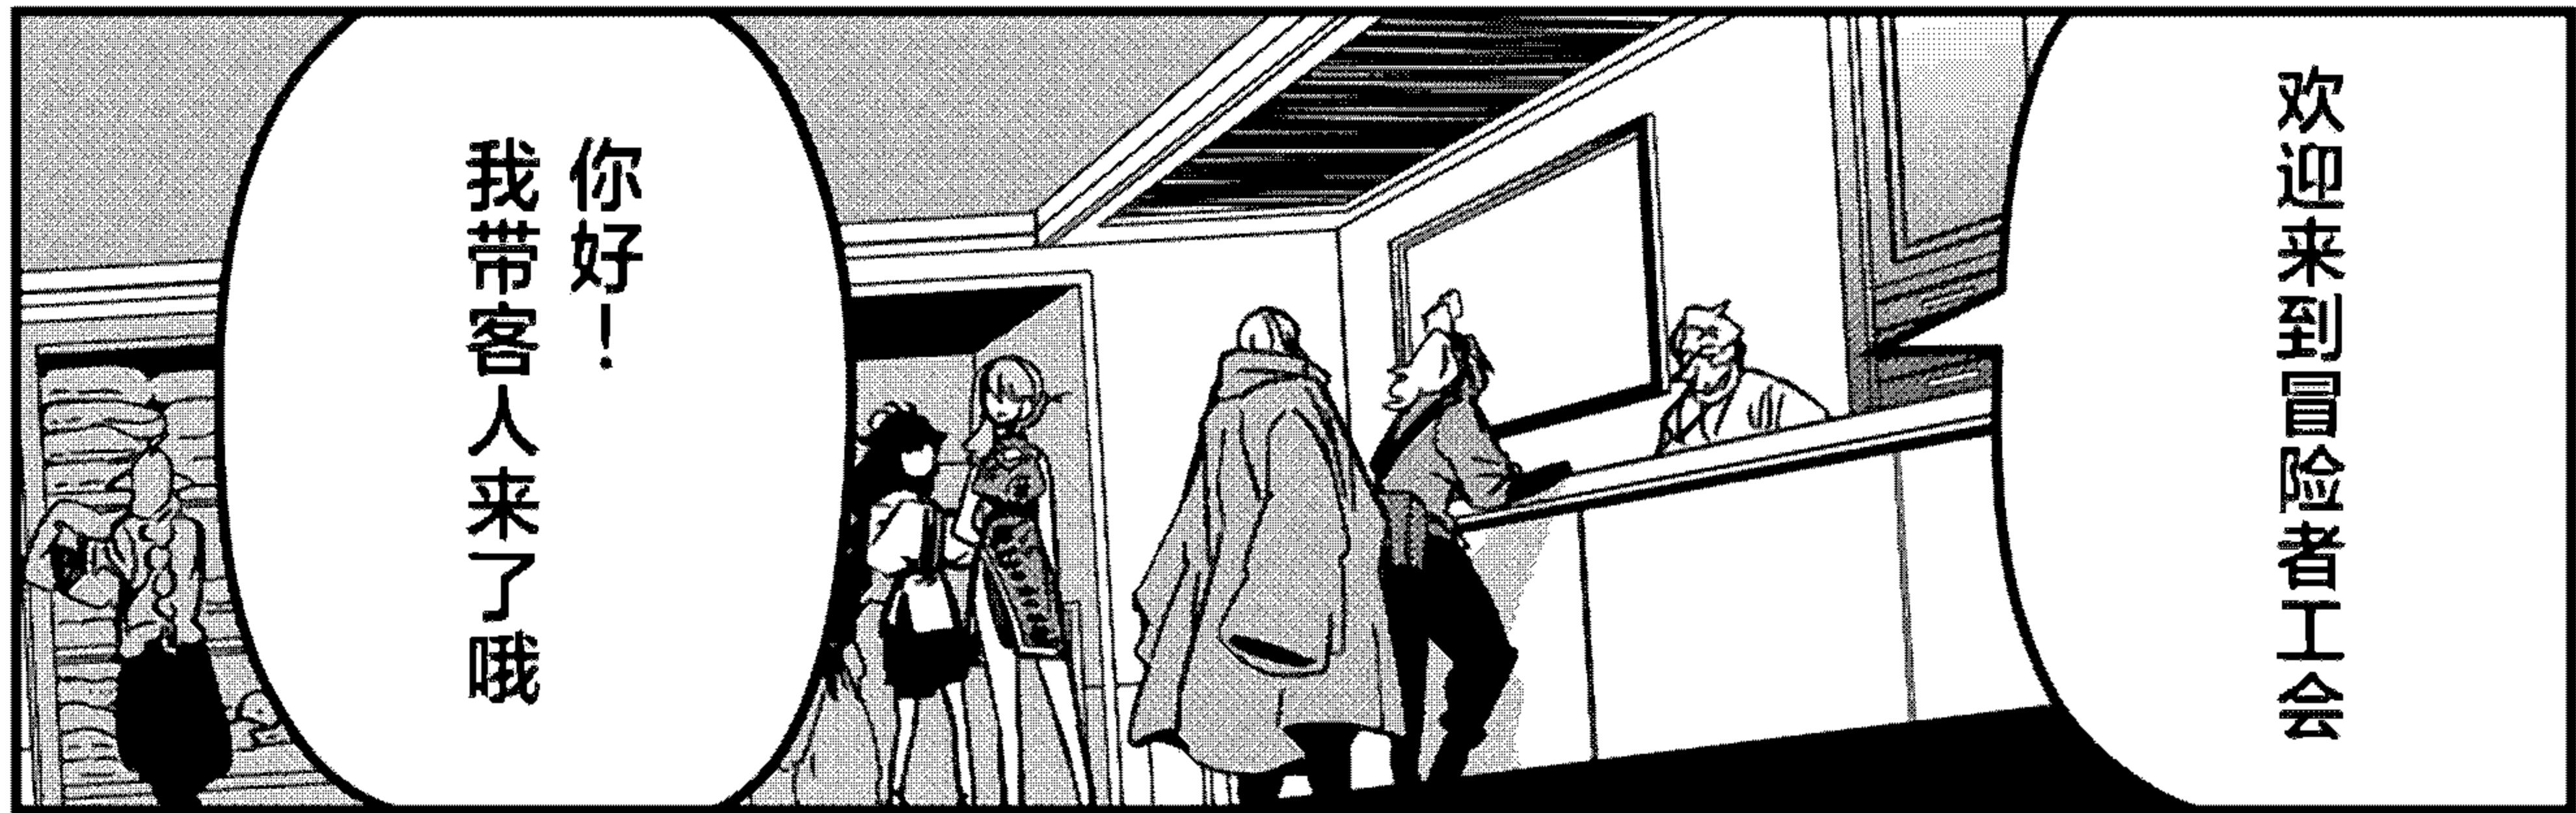

俺帅？

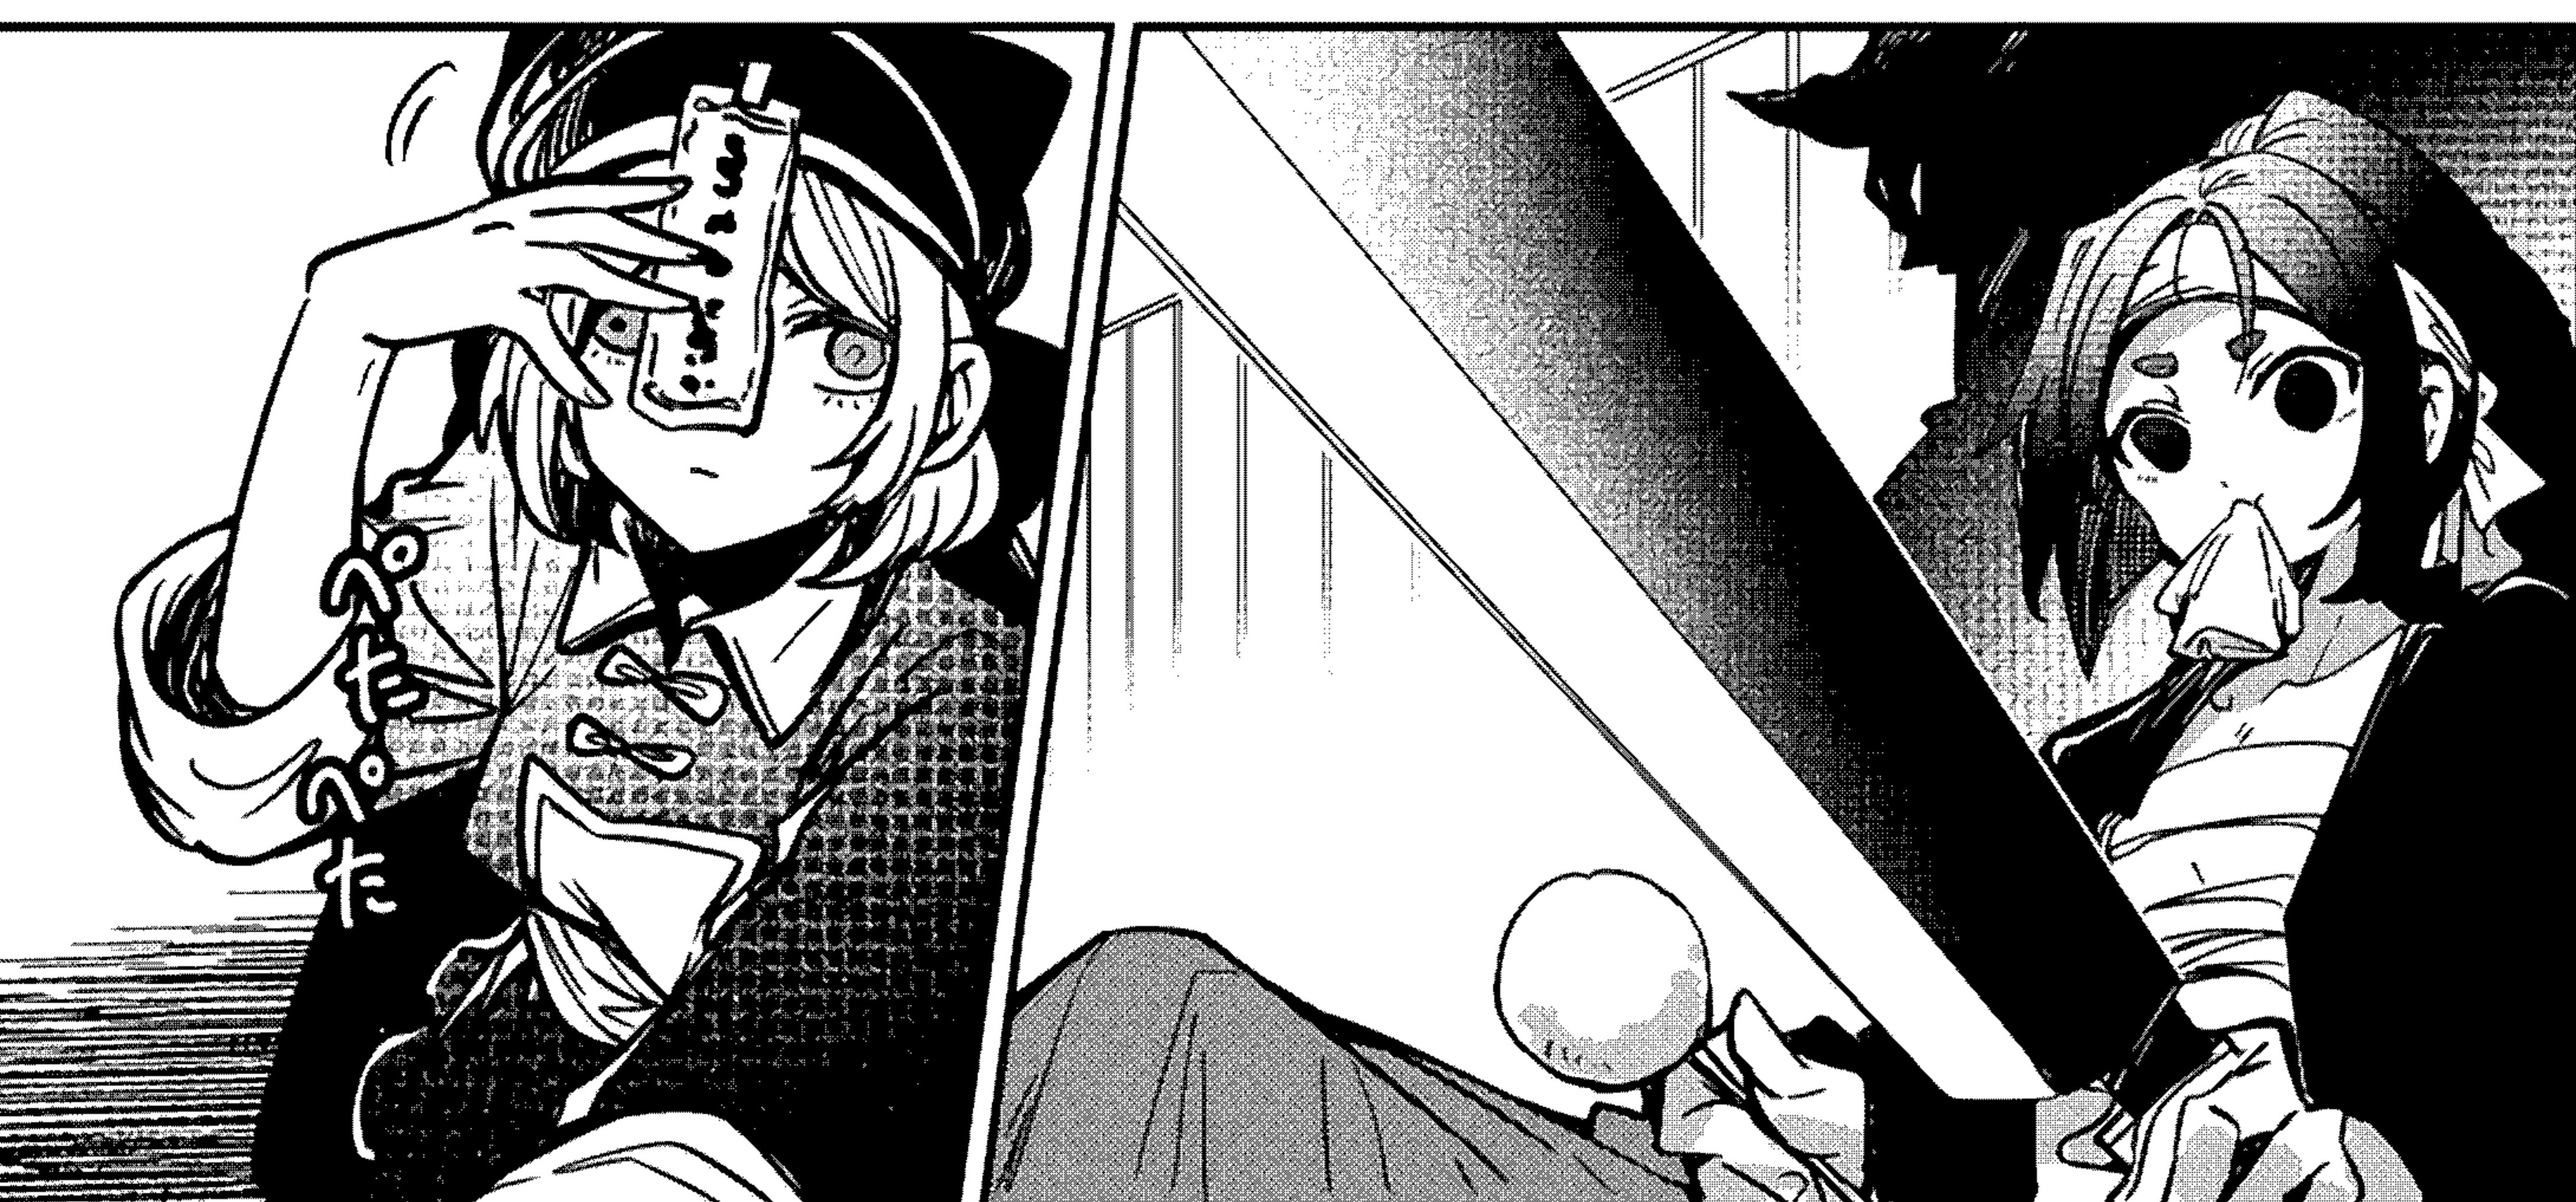

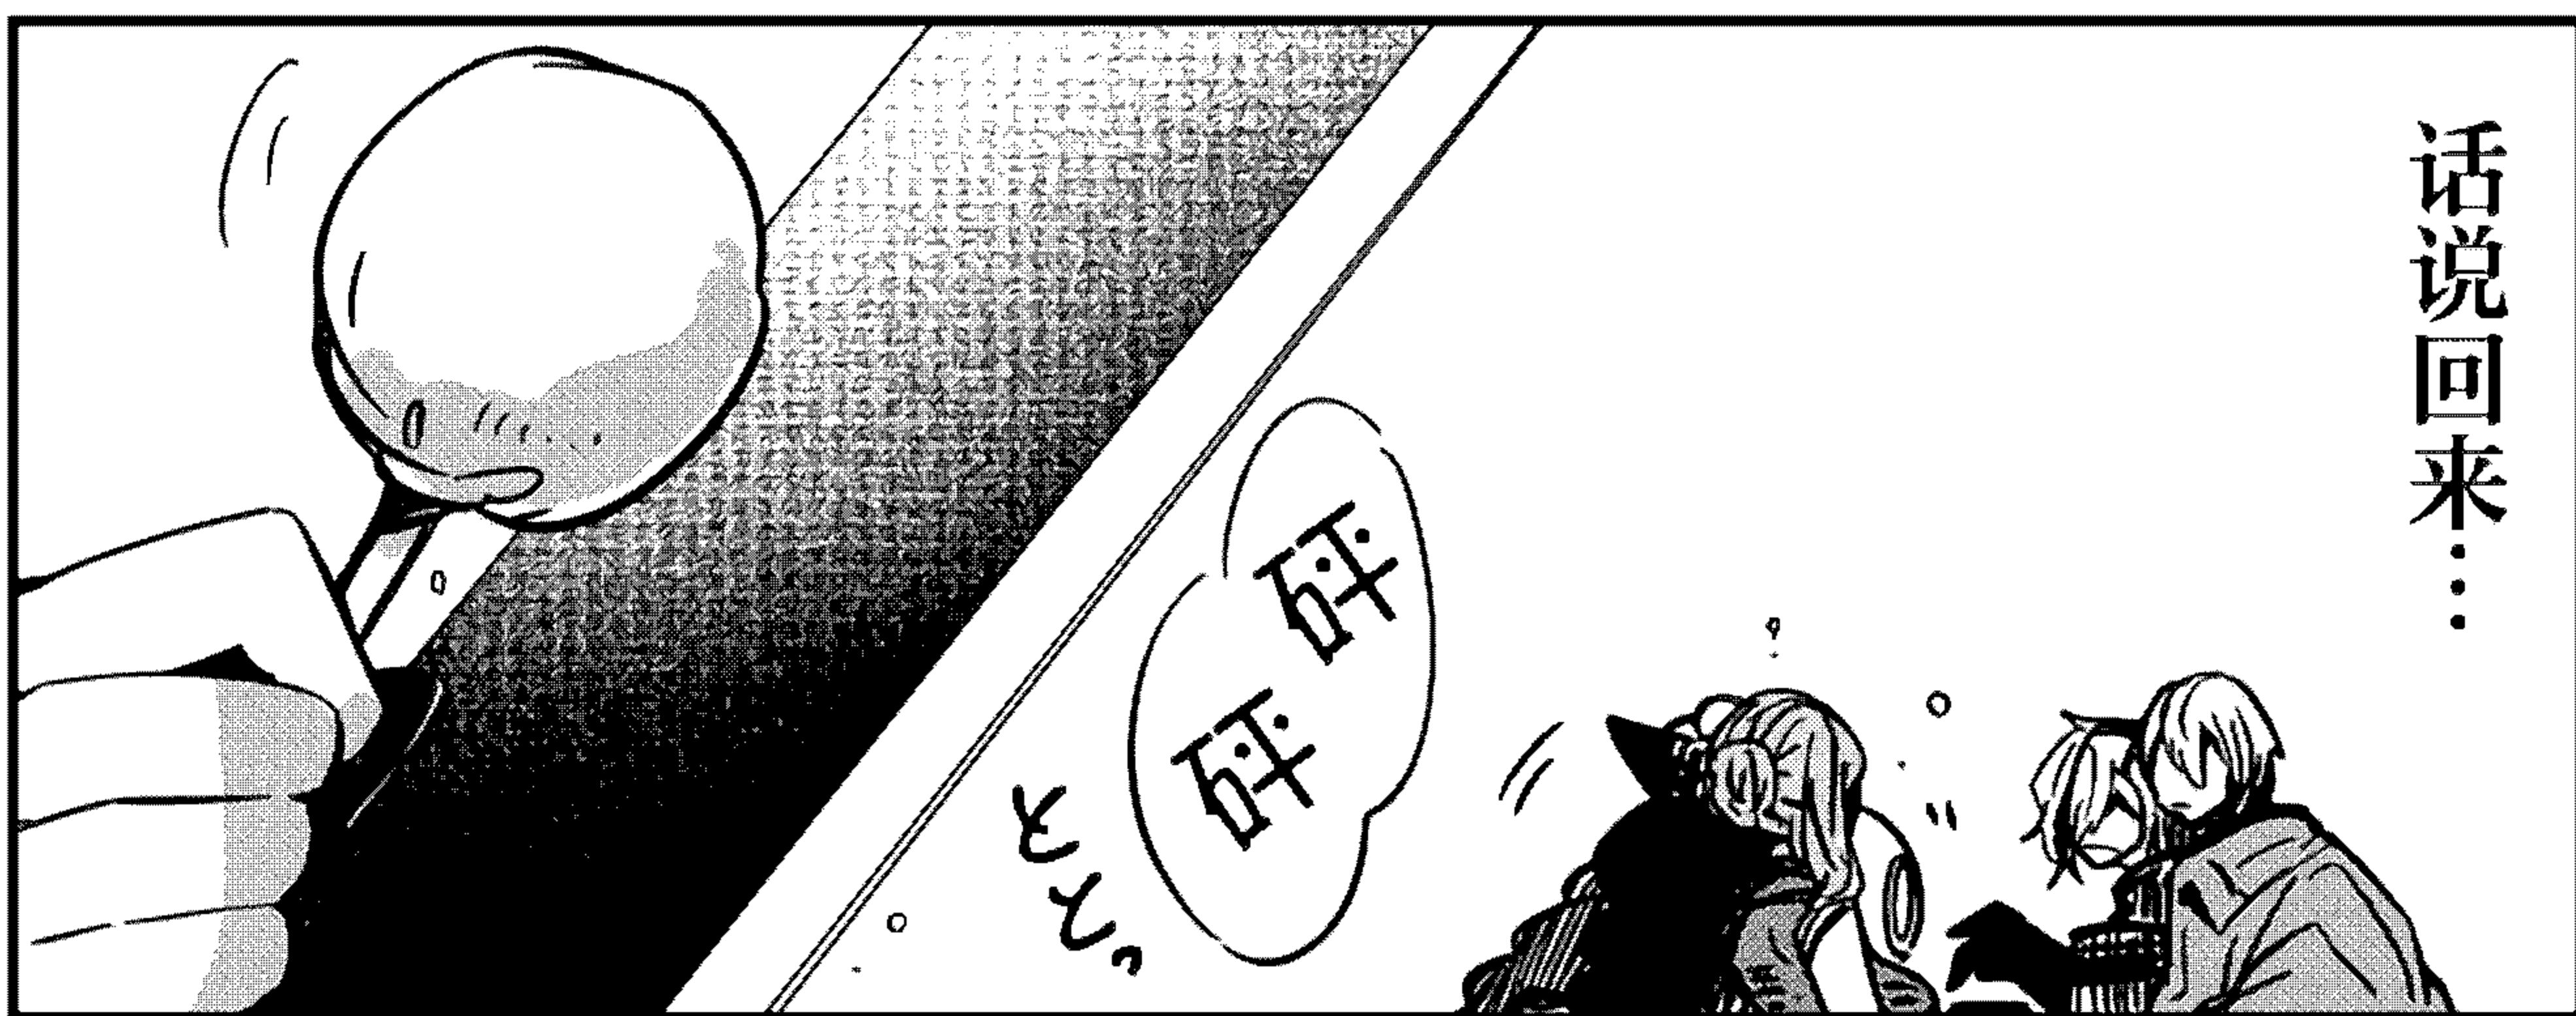

工会内食堂

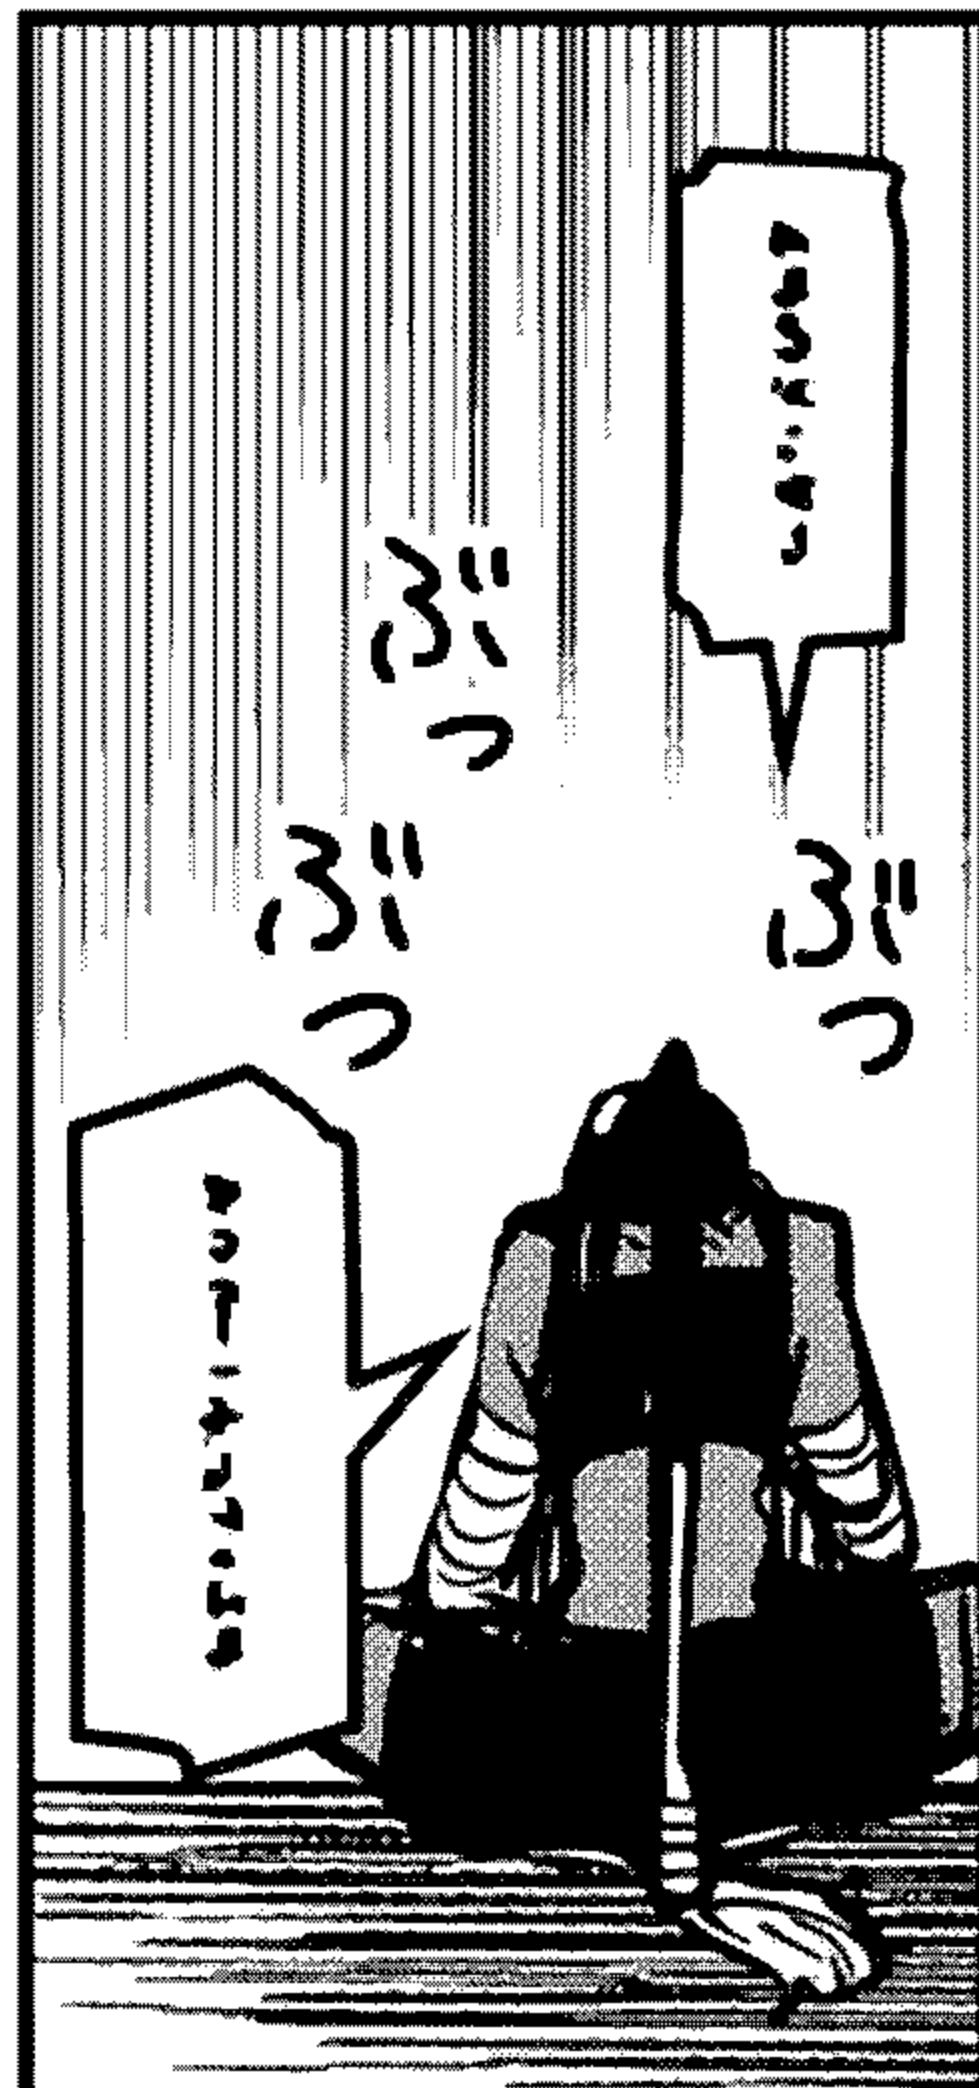

话说回来……

有不少  
个性古怪的人呢

这就是武神祭  
的参赛者吧  
来自各地的人们  
都住在这里

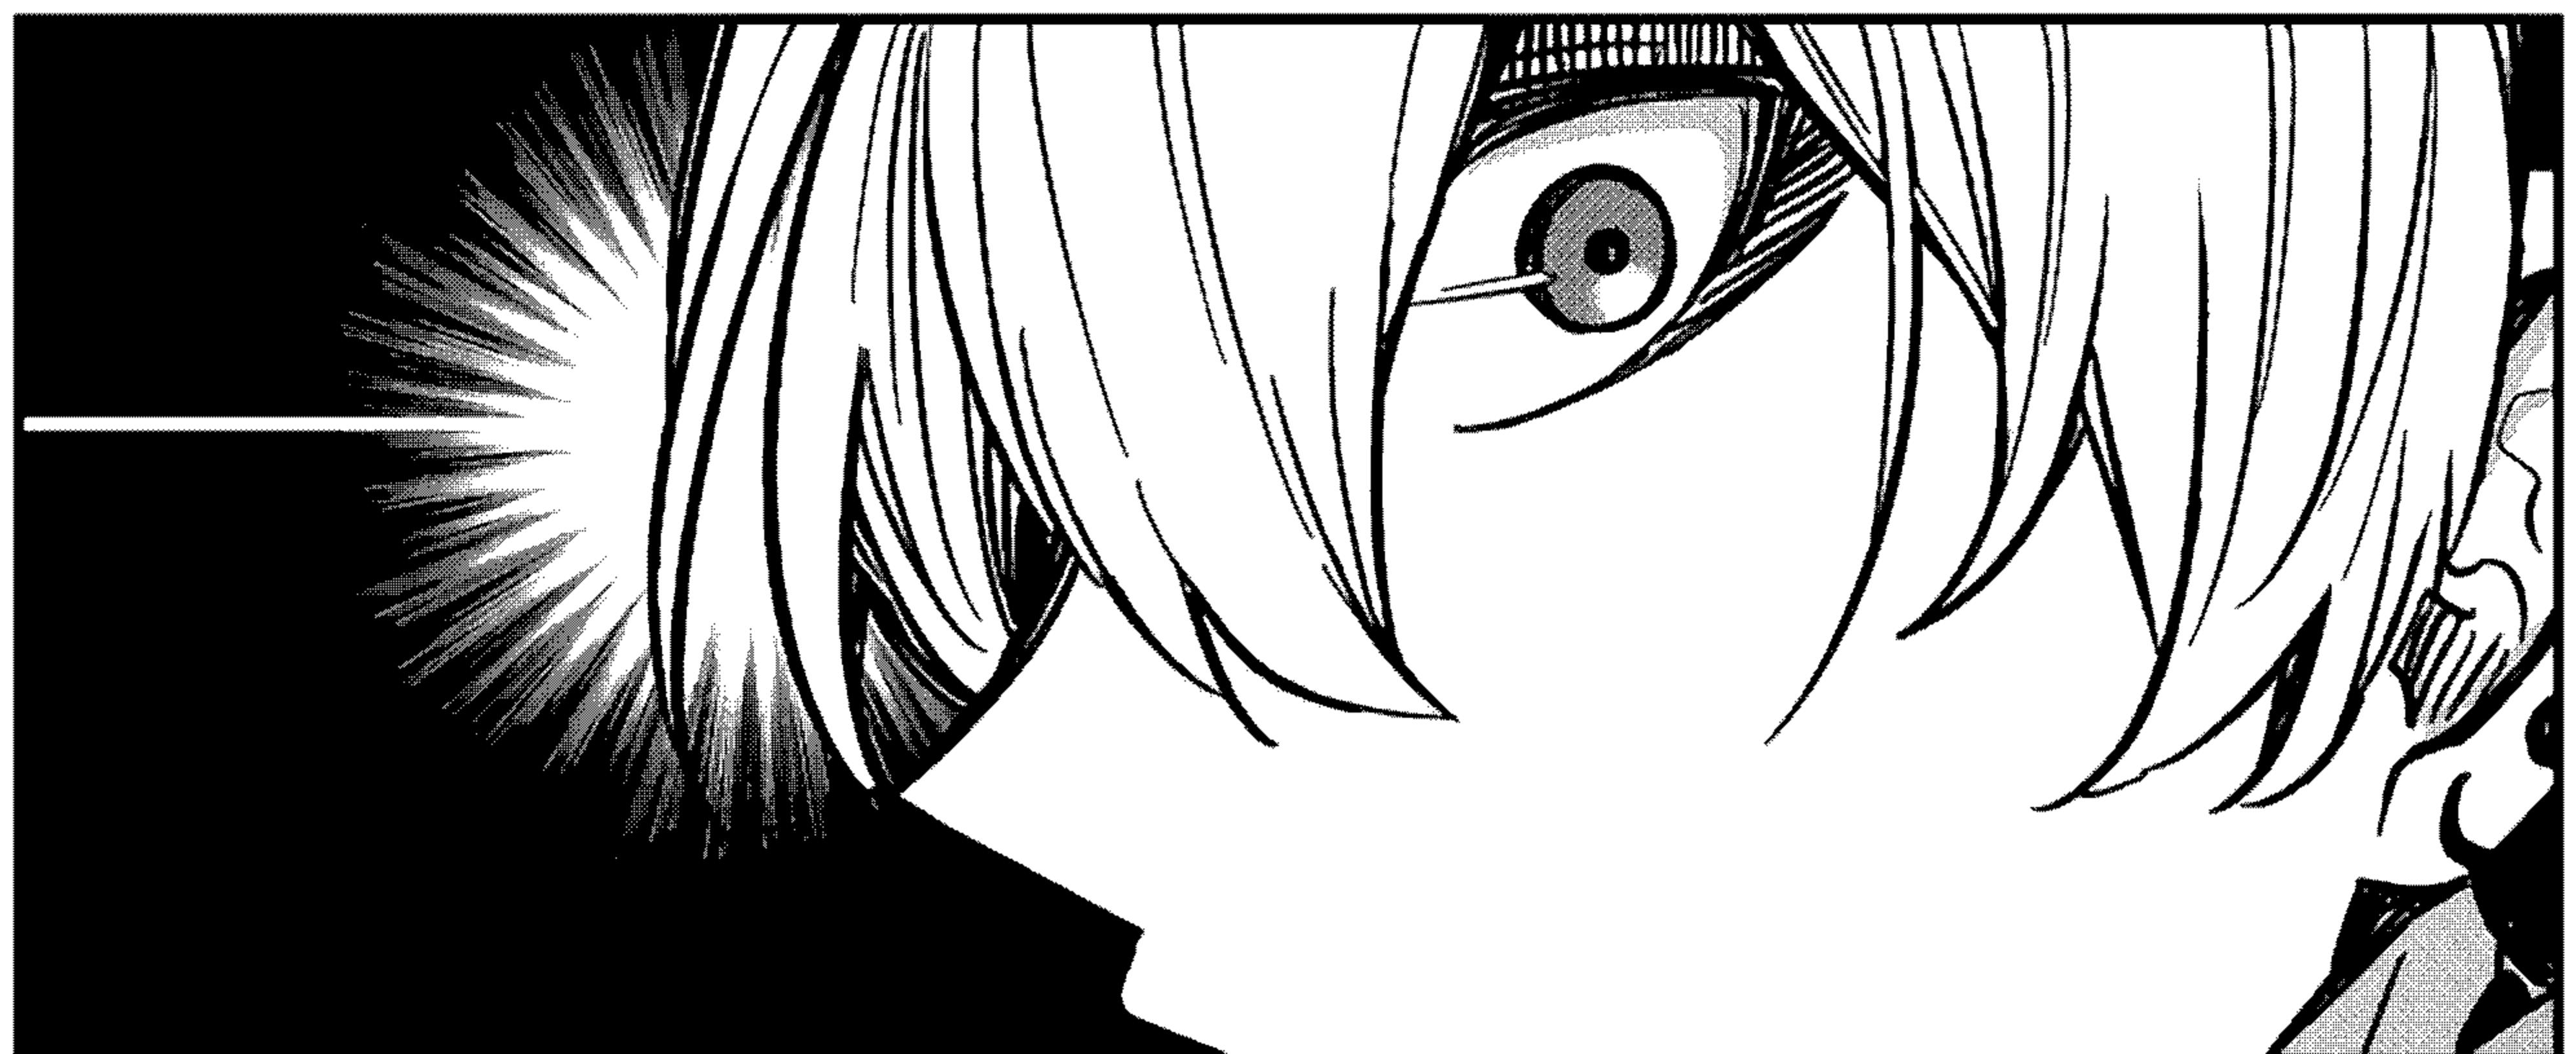

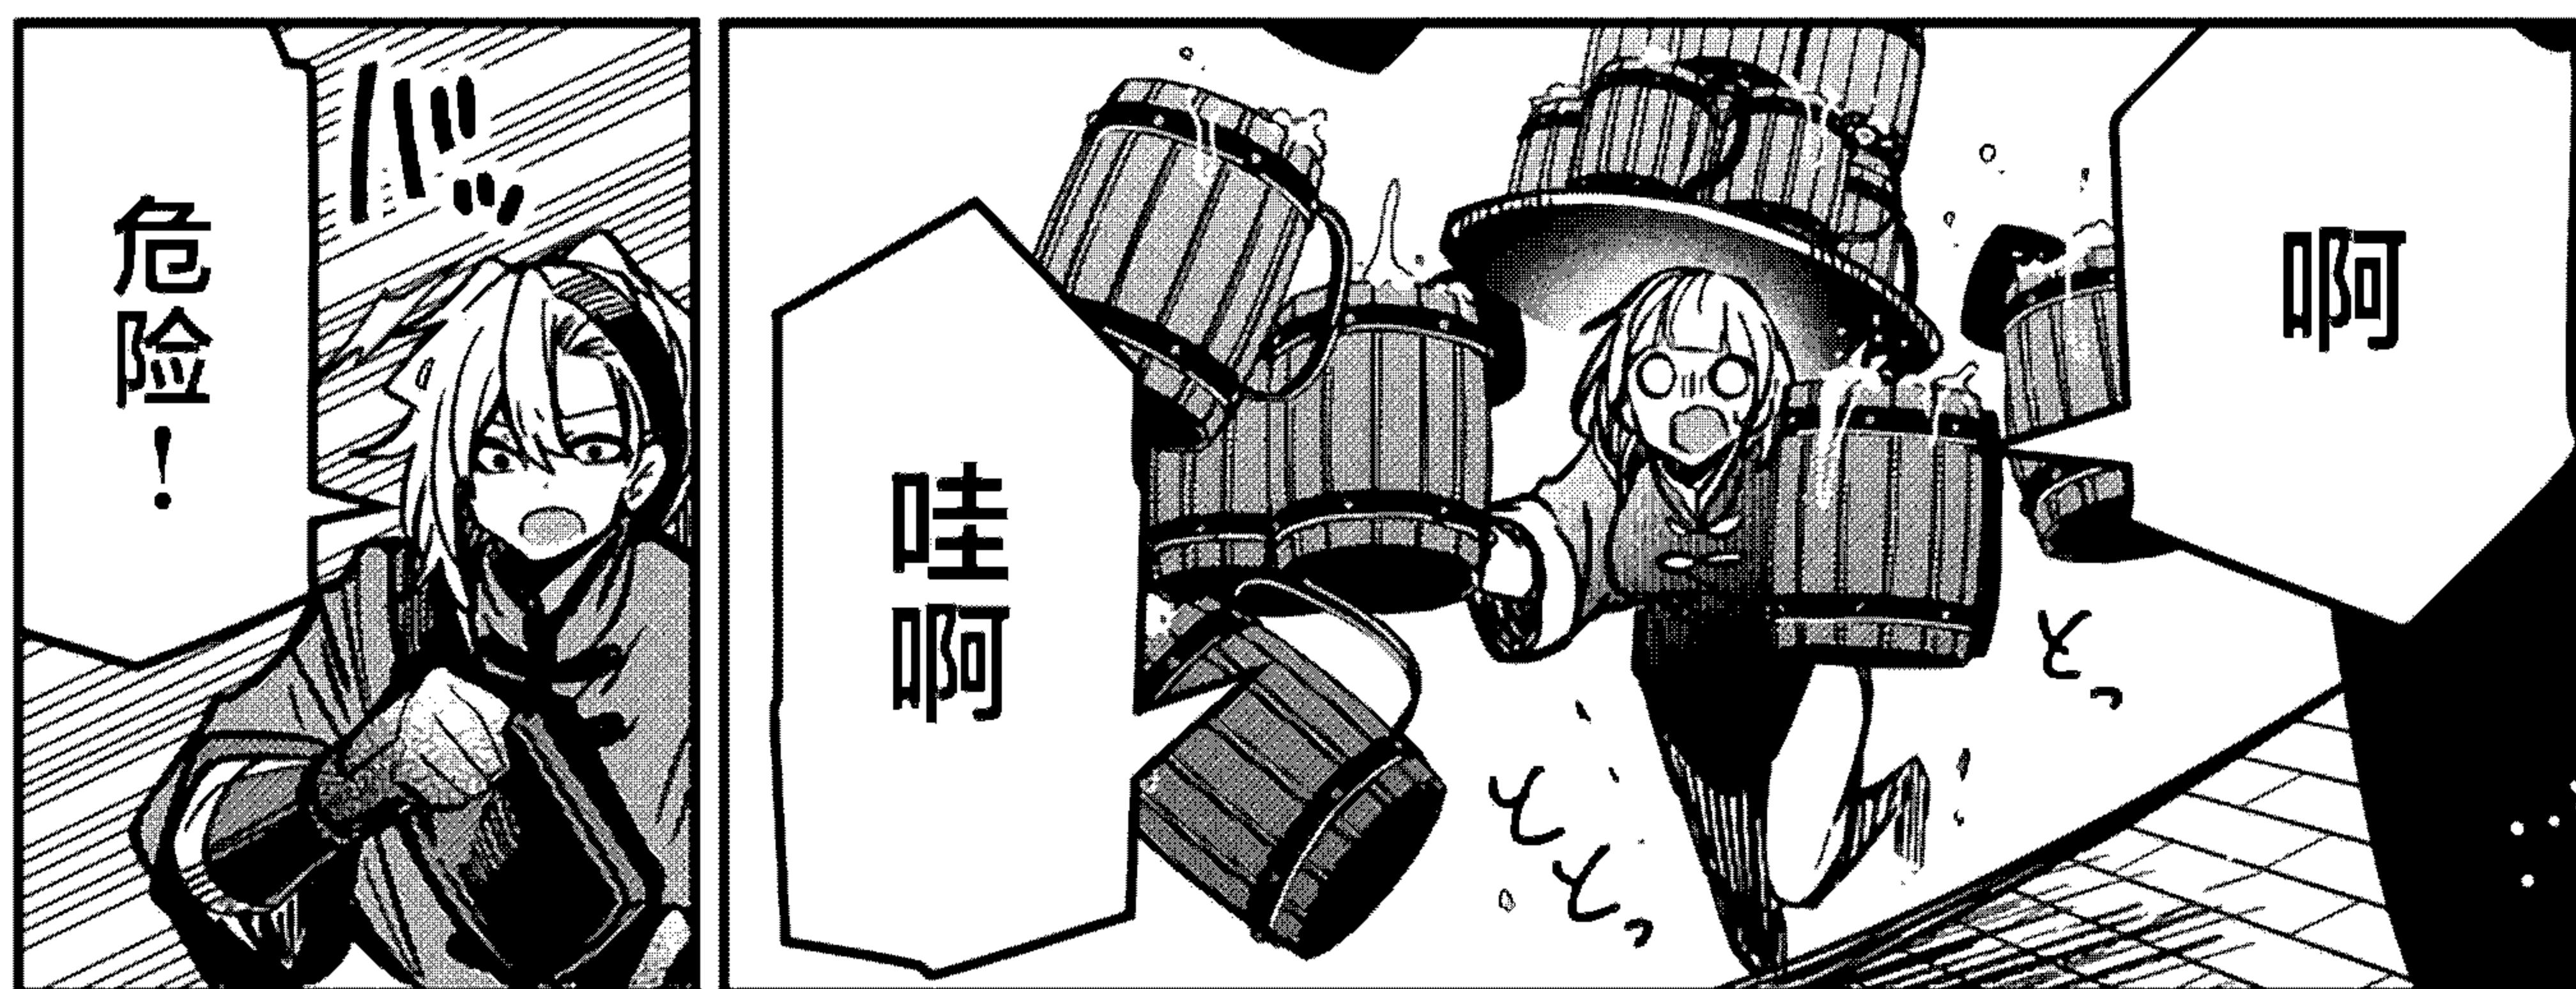

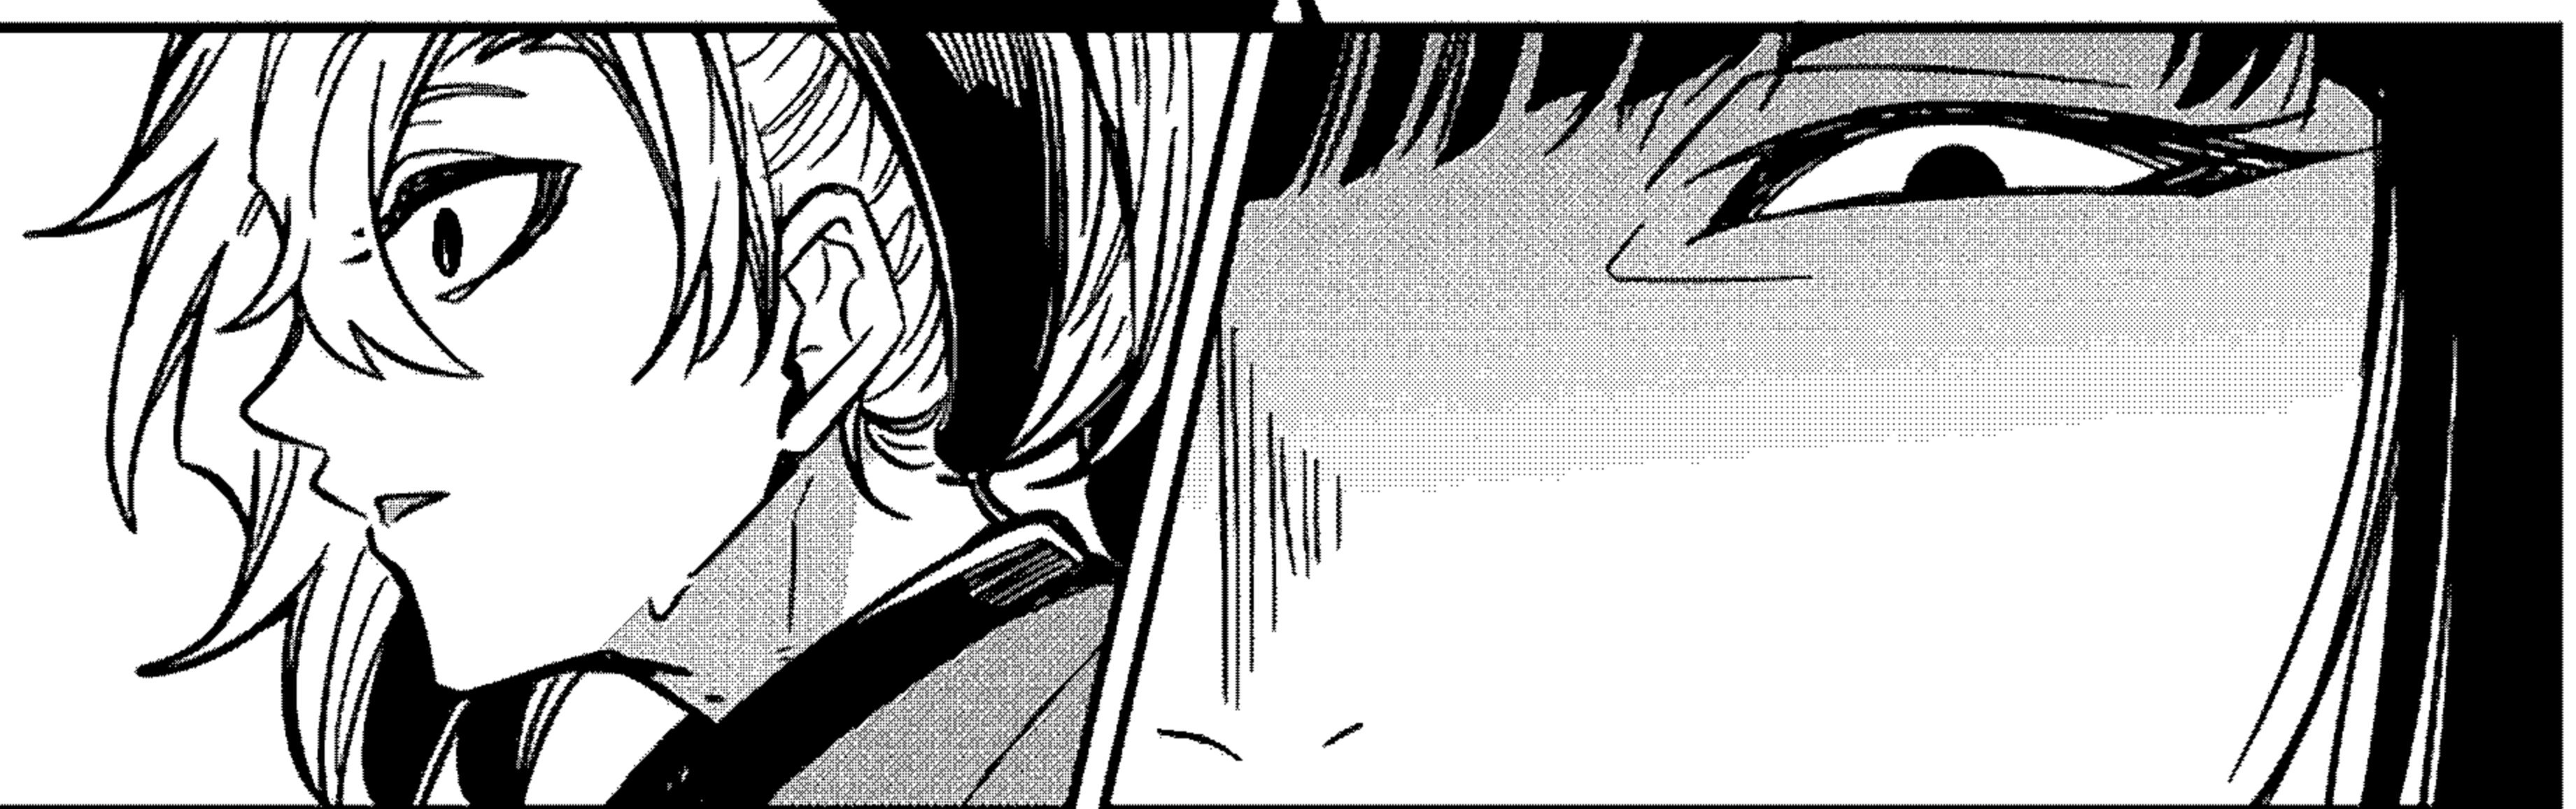

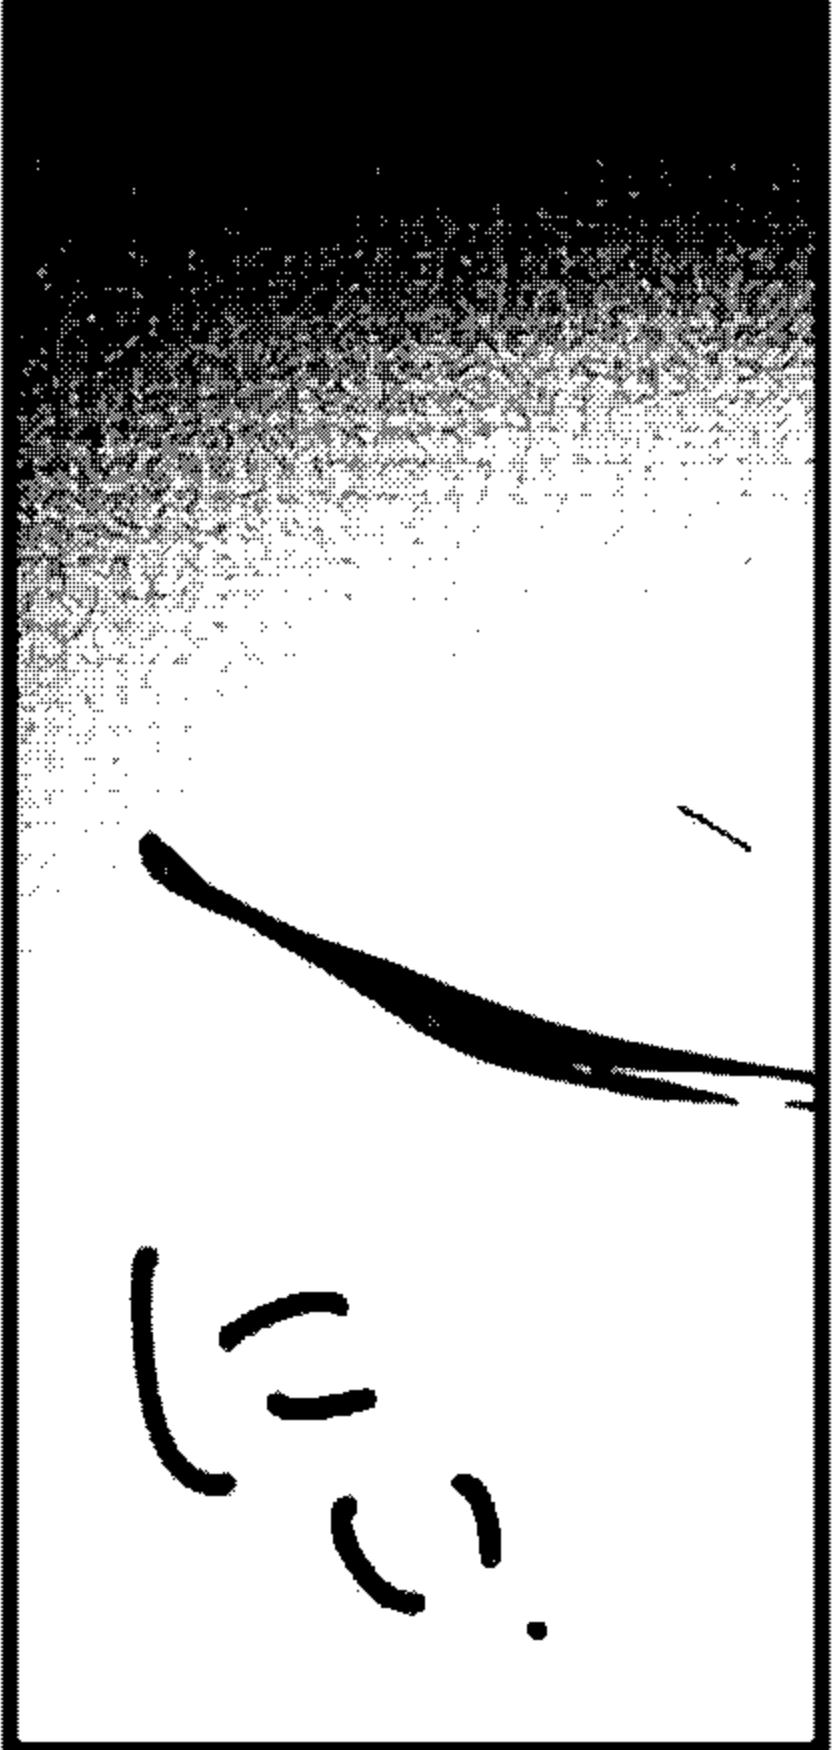

那个也是？

老朽当年拿过  
“传说的9届蝉联冠军”呢

老朽明白了  
那就参加吧

真可谓  
是一石二鸟！

可以在这里申请哦

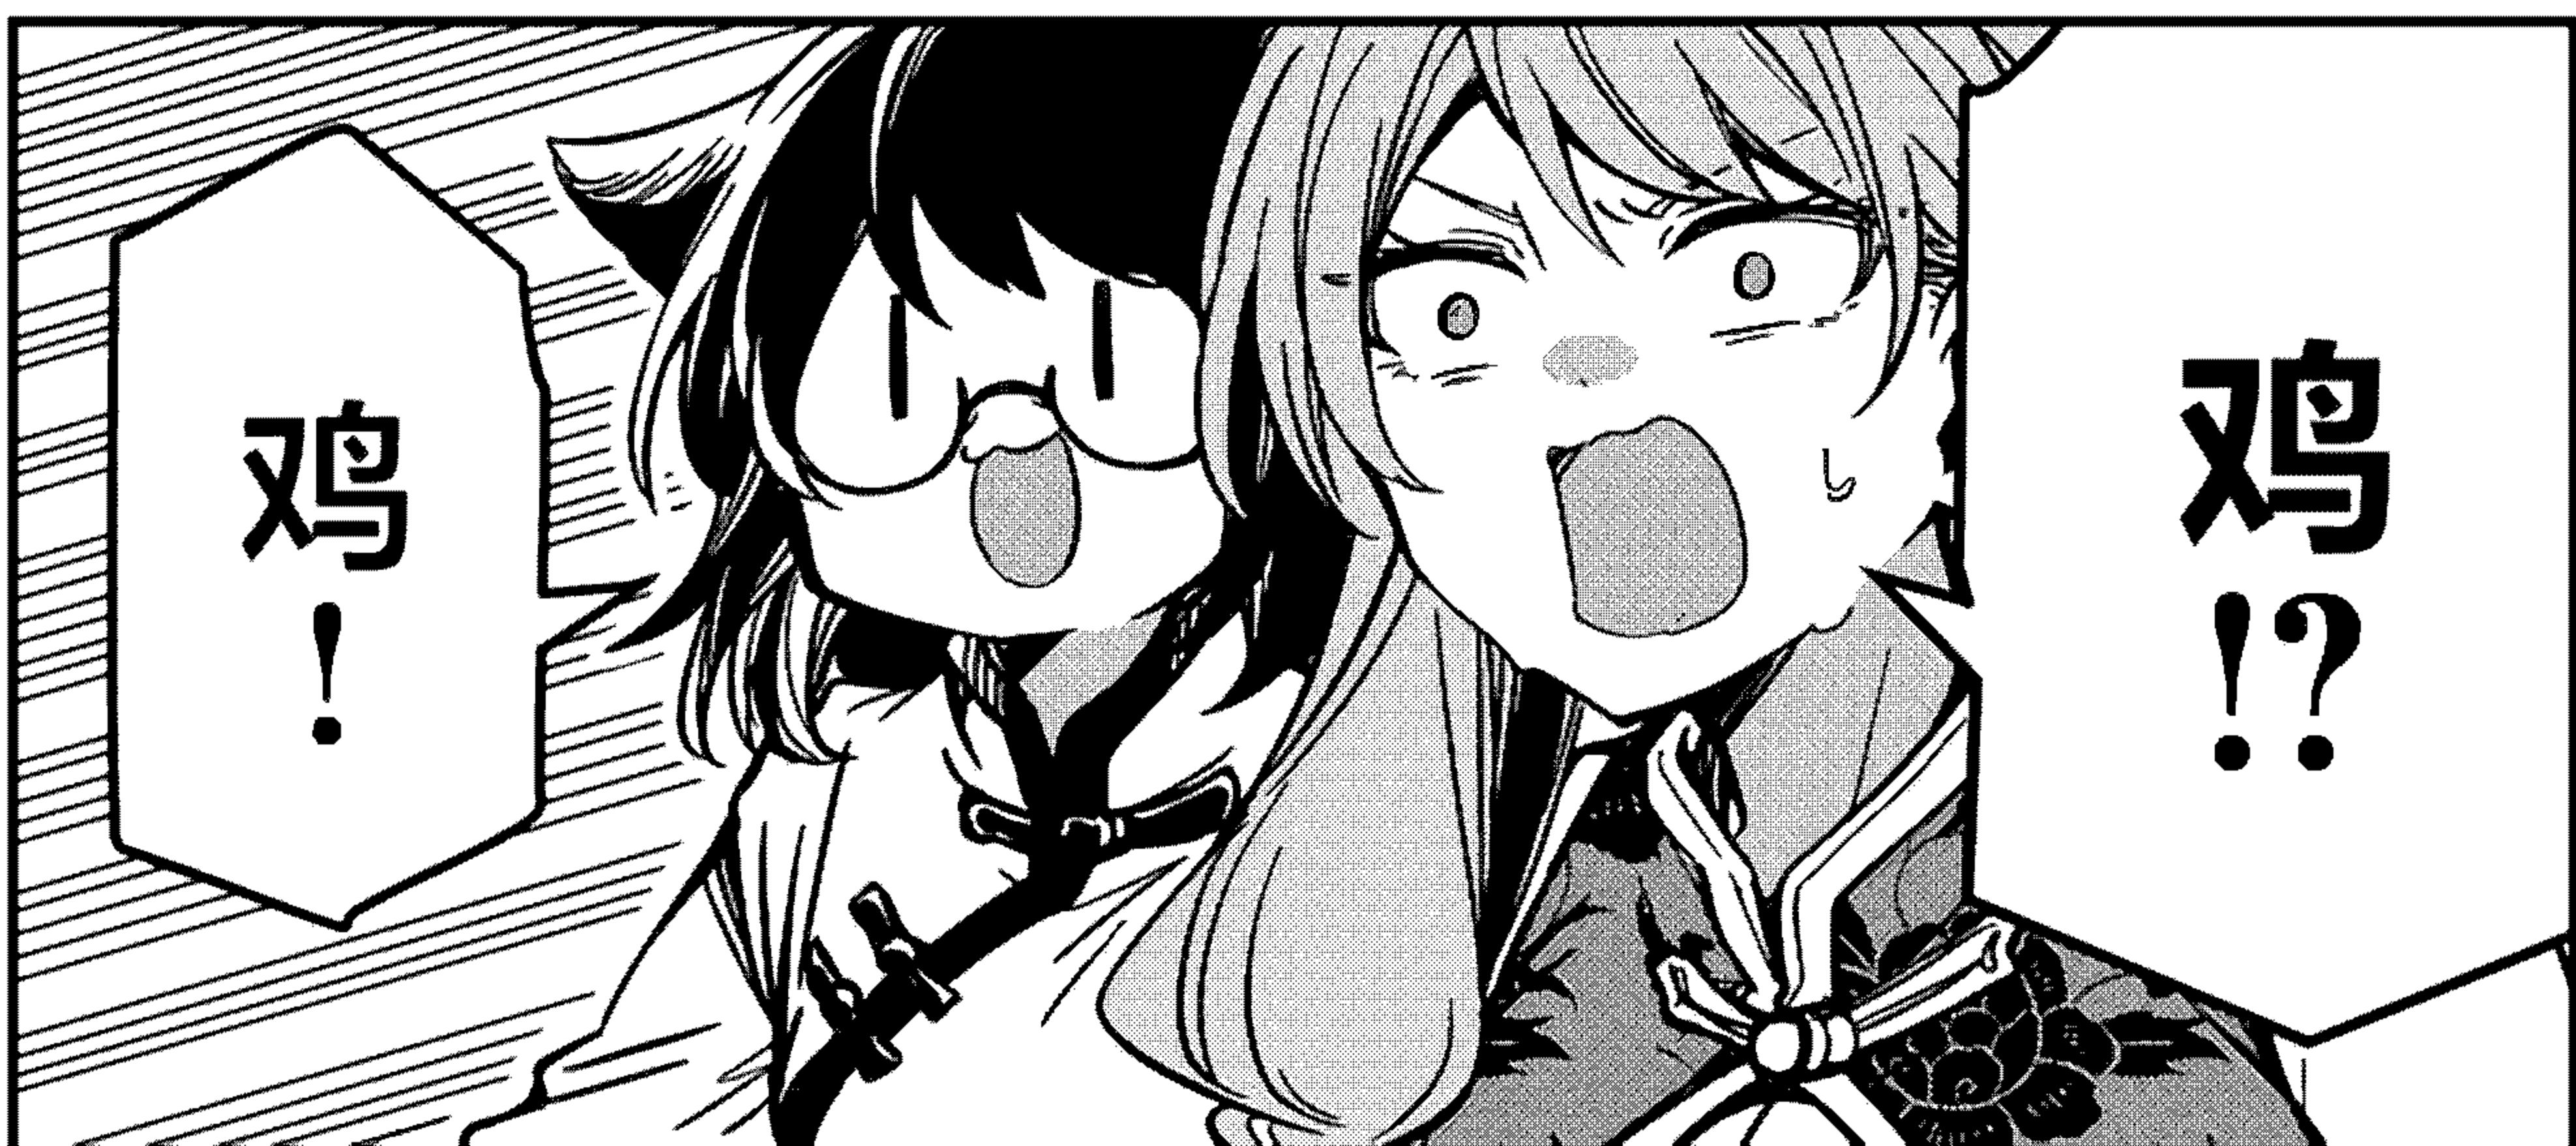

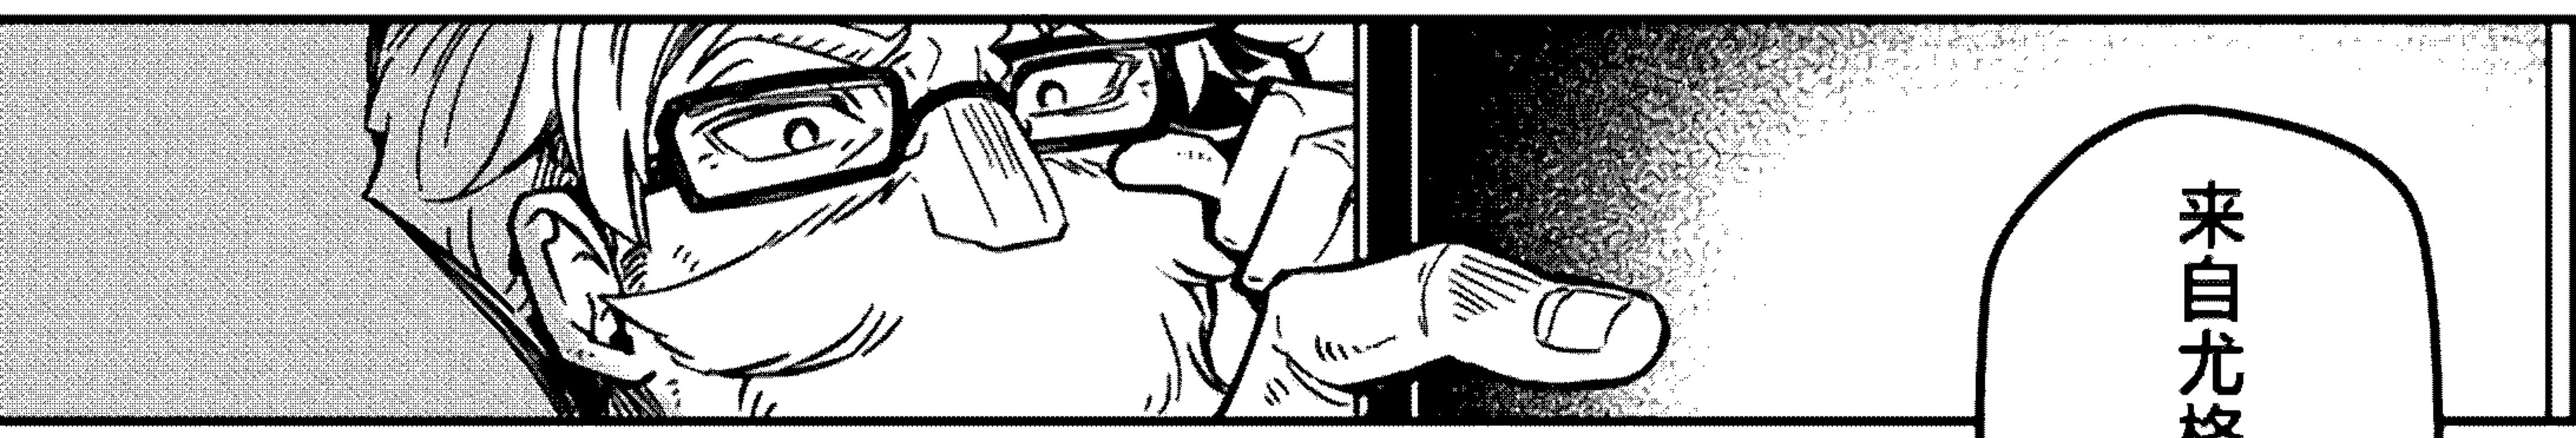

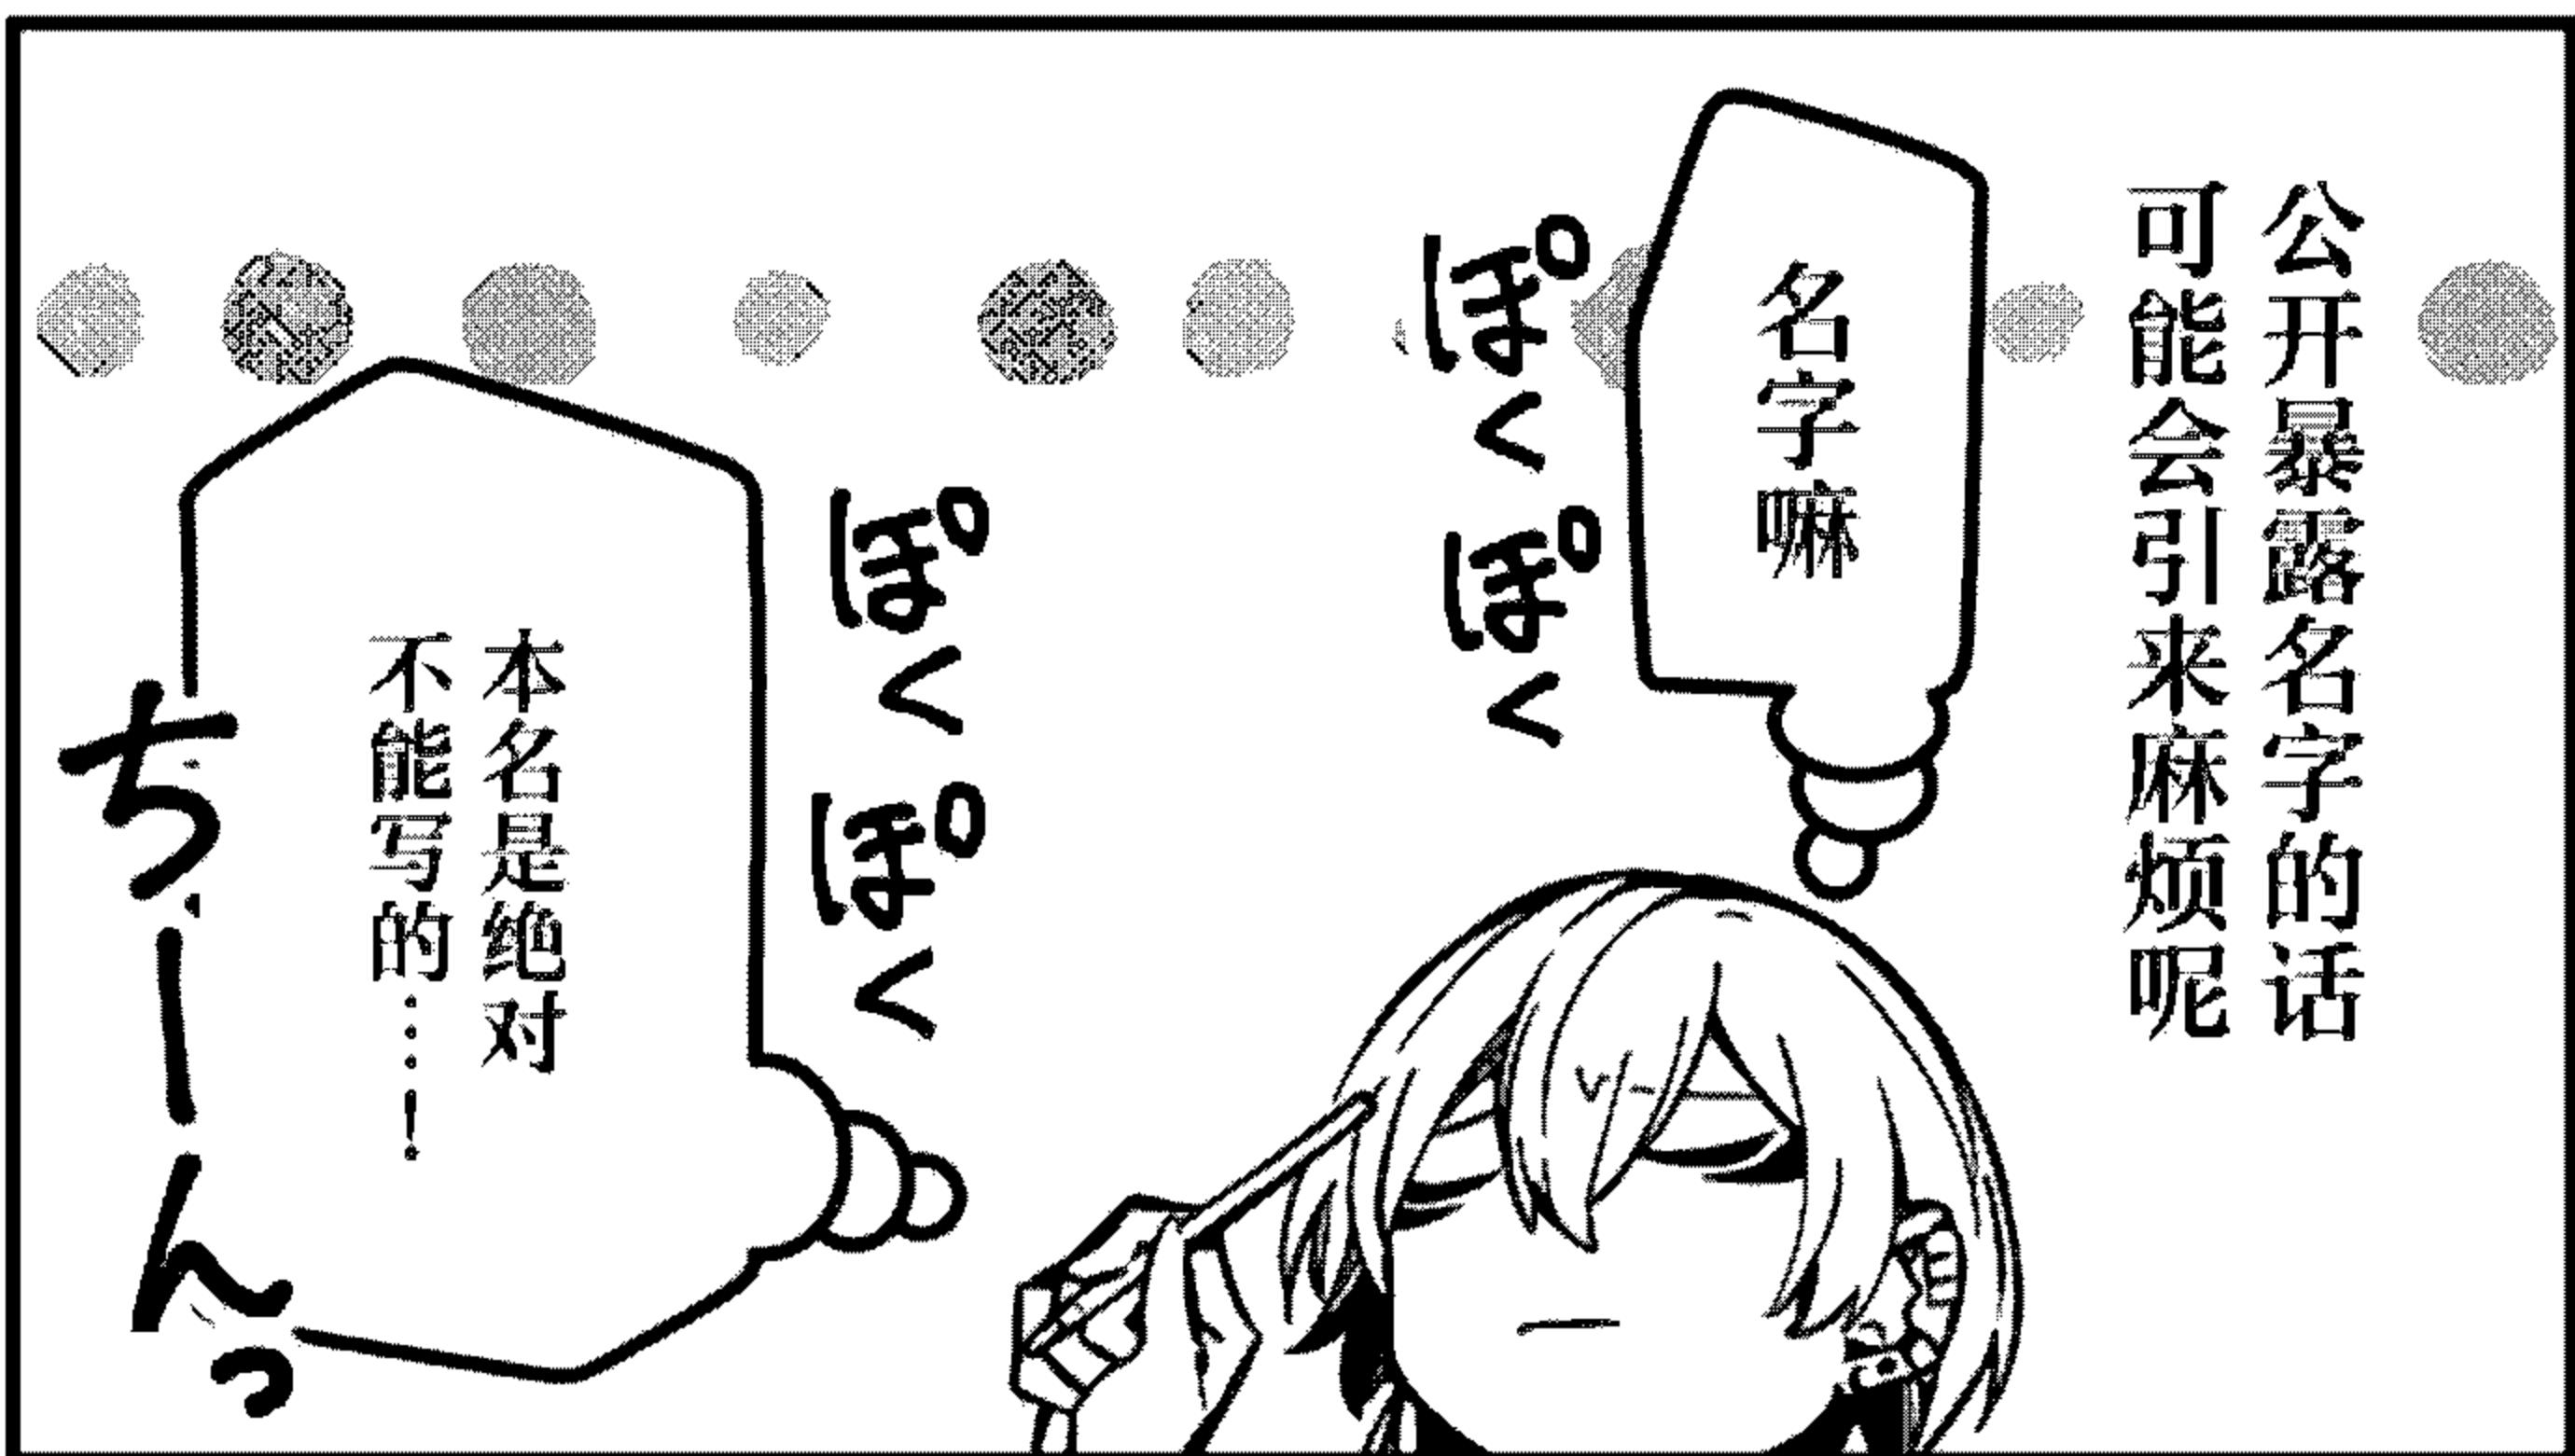

需要先获得参赛资格呢  
得参加“赛前考试”才行  
要出场的话

昵称可不行呢  
请写上“本名”哦

在板子上  
写上名字  
就可以了吧

(注释：「陈·珍高」日语音同「小鸡鸡」)

公开暴露名字的话  
可能会引来麻烦呢

哟西  
要加油咯!!

陈高  
城

The image consists of three horizontal rows of mazes, each composed of black and white pixels. The top row contains four separate mazes, each with a single entrance on the left and a single exit on the right. The middle row contains four larger, more complex mazes, also with single entrances and exits. The bottom row contains five mazes of varying sizes and complexity, some with multiple entrances and exits. The overall pattern is a grid of mazes, likely representing a collection of levels or puzzles.
