# 卷之三

A high-contrast, black-and-white halftone photograph of a person's face, possibly a man, looking slightly to the right. The image has a grainy, textured appearance typical of early photography or a photocopy.

第二步：对所有可能的冲突进行识别  
识别冲突，即识别出所有可能的冲突  
冲突——冲突，即冲突的识别

The image is a high-contrast, black-and-white halftone print of a person's face, likely a man, with a serious expression. He is looking towards the right. The entire image is surrounded by a thick black border. In the bottom-left corner, there is a white rectangular area containing Japanese text. The text reads:

This image is a high-contrast, black-and-white halftone print. It features a dense, abstract pattern of dots and lines, creating a textured, almost camouflage-like appearance. The pattern is composed of various sizes of dots and thin, intersecting lines, forming irregular shapes and patterns. There is a noticeable vertical band of darker tones on the right side. The overall effect is grainy and lacks fine detail due to the high contrast.

# 515 キュート ラブ

The image is a high-contrast, black-and-white halftone print of a person's face, likely a man, wearing a dark baseball cap and a light-colored shirt. The person has short hair and is looking slightly to the right. The entire image is enclosed within a thick black rectangular border. In the bottom-left corner of this border, there is a semi-transparent black rectangle containing Japanese text. The text reads "2400円  
税込" on the top line and "セブンイレブン" on the bottom line, indicating a price of 2400 yen including tax at a Seven-Eleven convenience store.

The image consists of a 2x2 grid of four black and white photographs of a man's face. Each photograph is heavily pixelated, representing a noisy image. The level of noise increases progressively from left to right and from top to bottom. The top-left image shows a relatively clear face, while the bottom-right image is almost entirely obscured by a dense grid of black and white dots.

A 2x2 grid of four grayscale images showing a person's face with increasing levels of noise. The images are labeled 1, 2, 3, and 4 from left to right, top to bottom. Image 1 is the original face. Image 2 shows low-level noise. Image 3 shows moderate noise. Image 4 shows high noise, appearing as a dark, textured blob.

This image is a halftone graphic, likely a watermark or a decorative background. It consists of a dense pattern of small, uniform dots arranged in a grid-like fashion, creating a speckled or mottled effect. The dots are white on a black background.

A halftone graphic of a large, stylized letter 'M' composed of a grid of dots. The letter is filled with a dense pattern of black dots on a white background. It is positioned above a horizontal bar with a similar dot pattern.

The logo for Tech 90, featuring the word "Tech" in a stylized font above the number "90".

**Address: 123 Main Street, Anytown USA**
