# 20話「了結」

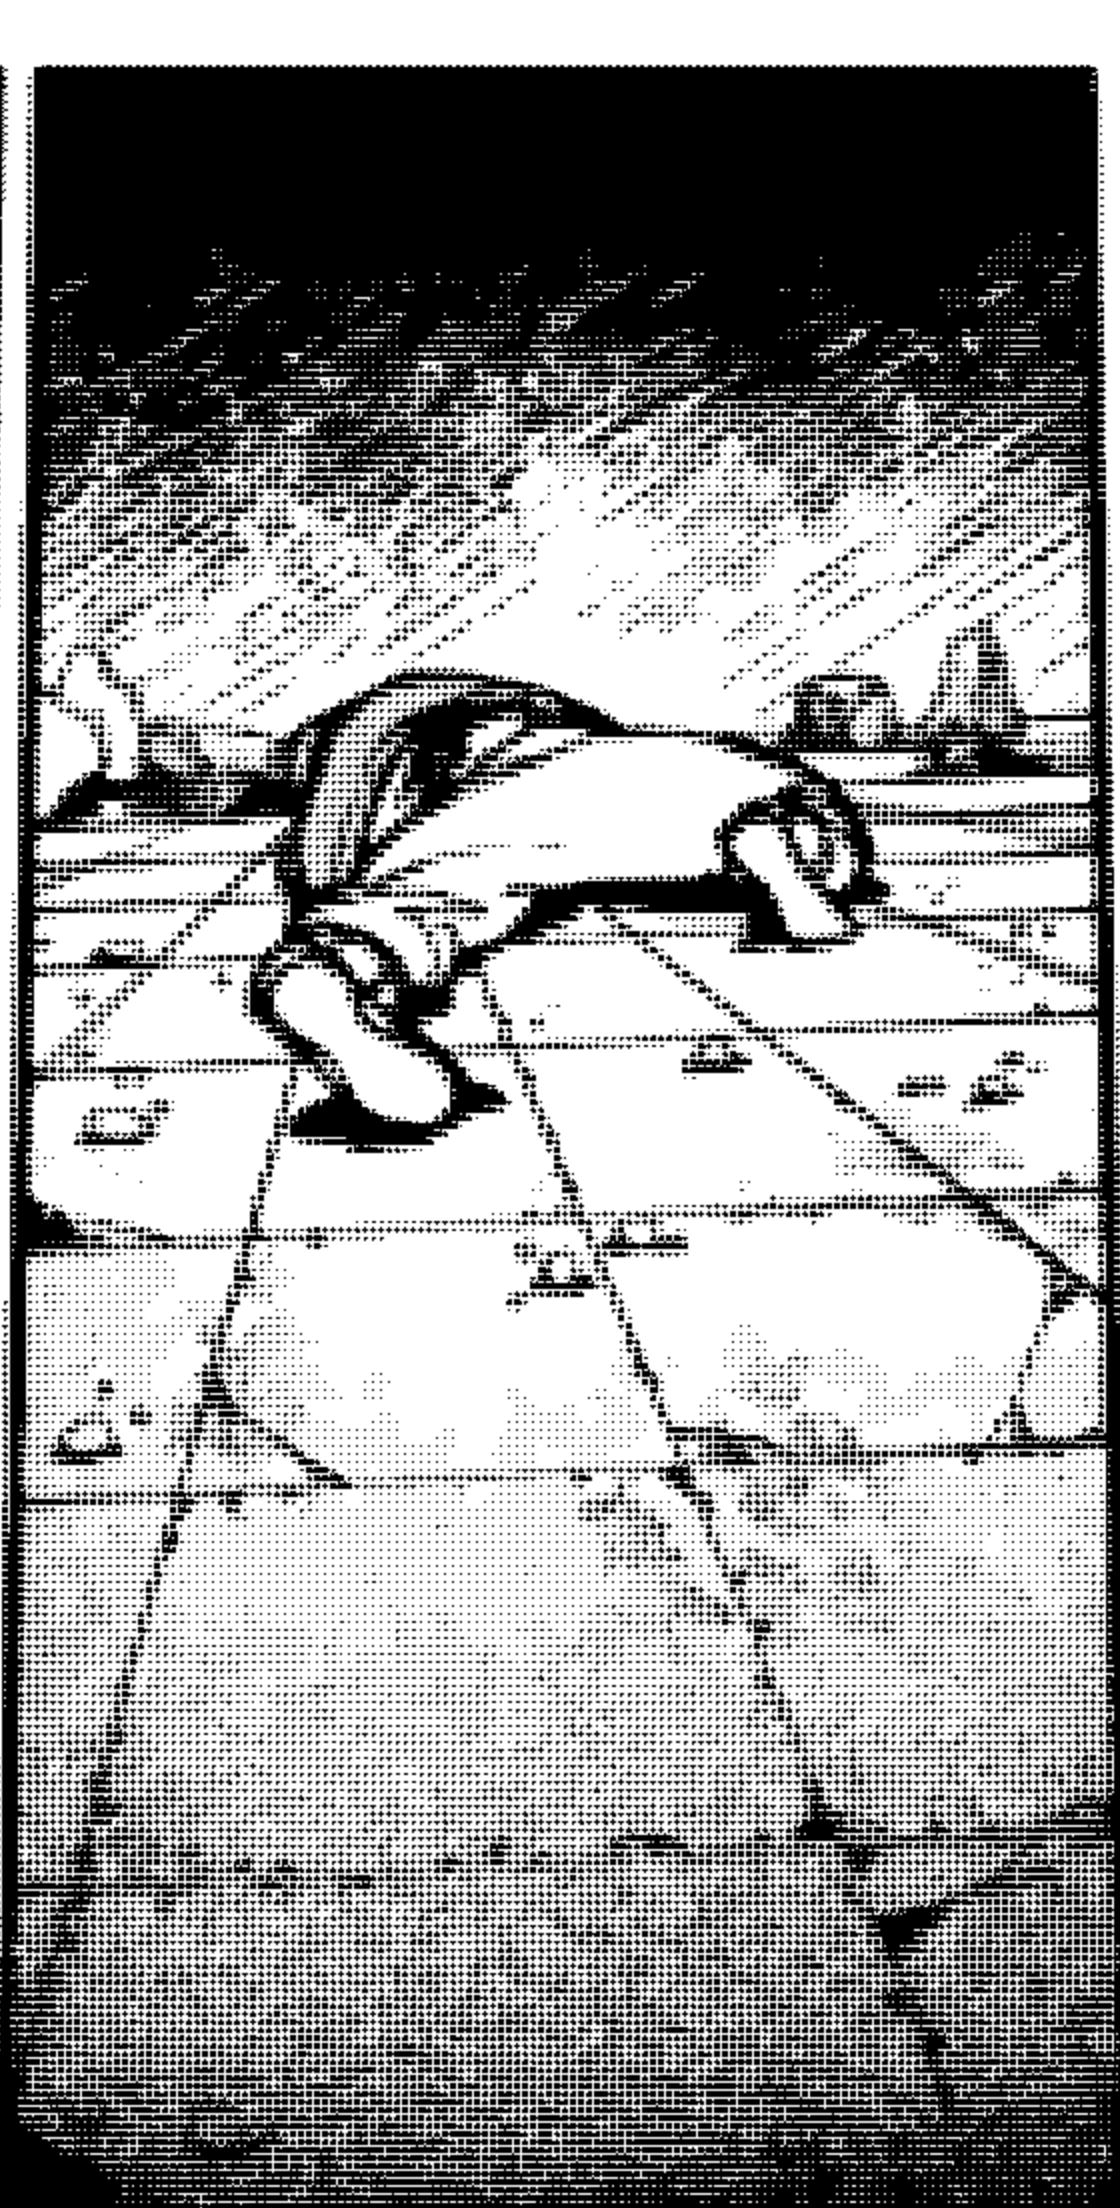

A black and white manga-style illustration depicting a man in a striped shirt and a cap, working intently on a large, dark pipe or cylinder. He is surrounded by various tools and equipment, including a workbench with a vise, a lamp, and a small stool. The background is filled with shelves and more industrial equipment. The entire scene is framed by large, bold Japanese characters on the left and right sides, creating a collage-like effect.
